Jennifer Plant

Philosophy of Care Dr. Jennifer Plant cares for pediatric patients critically ill from a variety of conditions including congenital heart disease and trauma. She is interested in improving the care we provide these patients through simulation-based medical education. Her focus is on curriculum development and learner assessment particularly related to resident education.

Title Assistant Clinical Professor, Pediatrics

Specialty Pediatric Critical Care

Center/Program Affiliation UC Davis Children's Hospital

Address Ticon II Building, 2516 Stockton Blvd. Sacramento, CA 95817

Education Dartmouth Medical School, Hanover, New Hampshire, M.D., 2003
University of Cincinnati, Cininnati, Ohio, M.Ed., 2010
Yale University, New Haven, Connecticut, B.A., 1996

Residency Children's Hospital & Research Center Oakland, Oakland, CA, 2006,

Fellowships University of California, San Francisco , San Francisco, CA, 2010, Pediatric Critical Care Medicine

Board Certifications American Board of Pediatrics, Pediatric Critical Care Medicine, 2010
American Board of Pediatrics, 2006

Professional Memberships American Academy of Pediatrics
Society for Critical Care Medicine and Pediatric Critical Care Medicine
Society for Simulation in Healthcare

Honors and Awards UCSF Academy of Medical Educators' Cooke Award for the Scholarship of Teaching and Learning, 2010
