Mark C. Henderson, M.D.

Clinical Interests
Mark C. Henderson has a strong background in general internal medicine as a clinician-educator and administrator, and as a reviewer for the Journal of General Internal Medicine and Journal of the American Medical Association. His research has focused on medical education, including student career choices and the use of systematic reviews in clinical education. He is UC Davis School of Medicine Associate Dean for Admissions and Outreach and vice chair and residency program director for the Department of Internal Medicine.
