Ruth J. McDonald, M.D.

Clinical Interests	Ruth J. McDonald's areas of expertise include asthma, cystic fibrosis, chronic lung disease, and malformations of the lung. Her research focuses on pediatric pulmonary diseases and quality improvment.
Title	Chief of Pediatric Pulmonology Professor of Clinical Pediatrics
Specialty	Pediatric Pulmonology
Department	Pediatrics
Division	Pediatric Pulmonology
Center/Program Affiliation	UC Davis Children's Hospital
Address/Phone	Glassrock Building, Pediatric Specialty Clinics, 2521 Stockton Blvd. Sacramento, CA 95817 **Phone:** 800-282-3284
Additional Phone	Physician Referrals: 800-4-UCDAVIS (800-482-3284)
Education	M.D., Oregon Health & Science University School of Medicine, Portland, Oregon, 1978 B.S., University of Oregon, Eugene, Oregon, 1974
Internships	University of Colorado, Denver, Colorado, 1978-79
Residency	Oregon Health Sciences University, Portland, Oregon, 1979-82
Fellowships	University of Colorado Health Sciences Center, Denver, Colorado, 1982-85
Board Certifications	American Board of Pediatrics, 1985 American Board of Pediatrics, Pediatric Pulmonology, 1986
Professional Memberships	American Academy of Pediatrics American Thoracic Society
