Thomas-Ray S. Sanchez, M.D.

Title	Assistant Professor of Radiology
Specialty	Pediatric Radiology
Department	Radiology
Division	Pediatric Radiology
Center/Program Affiliation	UC Davis Children's Hospital
Languages	Filipino, Tagalog
Education	M.D., University of the Philippines College of Medicine, Manila, Philippines, 1999 B.S., University of Philippines, Diliman, Quezan City, 1993
Internships	Philippine General Hospital, Manila, Philippine, 1999
Residency	Diagnostic Radiology, Philippine General Hospital, Manila, Philippine, 2004
Fellowships	Pediatric Radiology, University of Texas Medical Branch, Galveston, TX, 2008
Board Certifications	American Board of Radiology Philippine Board of Radiology Philippine Medical Board
Professional Memberships	American Roentgen Ray Society Philippine College of Radiology Philippines Medical Association. Radiological Society of North America Society of Pediatric Radiology
Select Recent Publications	Dynamic sonographic evaluation of posterior shoulder dislocation secondary to brachial plexus birth palsy injury. Thomas Ray Sanchez M.D., Jennifer Chang, M.D, Andrea Bauer, M.D., Nanette Joyce D.O., Chirag V. Patel M.D. *Journal of Ultrasound in Medicine*. 2013. 32(9):1531-1534. Retrospective evaluation and dating of non-accidental rib fractures in infants. Thomas Ray Sanchez, MD., Ho Nguyen, MD., Kevin Coulter, MD. *Clinical Radiology*. (2013) 467-471. Improvements to a Novel Device Simulating Pneumatic Intussusception Reduction. Steffan K. Soosman B.S., Joseph C. Li B.S, Glade E. Roper M.D., Anthony S. Wexler PhD, Rebecca Stein-Wexler M.D., Thomas Ray Sanchez M.D. *Open Journal of Radiology*. 2013 3, 73-77. Sonographically guided enema for intussusception reduction - A safer alternative to flouroscopy.
