# Robert E. Noll, Jr., M.D.

**Clinical Interests**
Dr. Noll's clinical and research interests include the treatment of abdominal and thoracic aneurysms using endovascular and open techniques, the management of carotid artery disease to include carotid stenting, and minimally invasive therapies for lower extremity critical limb ischemia.
His practice incorporates the full spectrum of open and endovascular surgical techniques along with optimal medical management in caring for all patients with arterial or venous vascular disease.

**Title**
Assistant Professor

**Specialty**
Vascular and Endovascular Care

**Department**
Surgery

**Division**
Vascular Surgery

**Clinic**
Cardiac Surgery Clinic (Adult & Pediatric)

**Address/Phone**
Lawrence J. Ellison Ambulatory Care Center, * Lawrence J. Ellison Ambulatory Care Center, 4860 Y St., Suite 0100 Sacramento, CA 95817
**Phone:** 916-734-3800

**Education**
M.D., Tulane University School of Medicine, New Orleans, Louisiana, 1997
B.S., UC San Diego, La Jolla, California, 1993

**Internships**
Texas Tech University Health Sciences Center, 1997-1998

**Residency**
Texas Tech University Health Sciences Center, 1998-2002

**Fellowships**
Ochsner Clinic, New Orleans, LA, 2006-2008

**Board Certifications**
American Board of Surgery, General Surgery, 2003
American Board of Surgery, Vascular Surgery, 2009

**Professional Memberships**
American College of Surgeons, Fellow
Peripheral Vascular Surgery Society
Society for Vascular Surgery
Society of Air Force Clinical Surgeons
Southern Association of Vascular Surgeons
