Anthony R. Stone, M.B.

Clinical Interests

Anthony R. Stone is an expert in male and female urinary incontinence, neurourology and lower urinary tract reconstruction, including artificial urinary sphincters, urethral strictures and urinary fistulas.

Dr. Stone is vice-chair of the UC Davis Health System Department of Urology and chief of urology for Shriners Hospital for Children, Sacramento. Stone has compiled significant data on artificial urinary sphincters. He also treats children with incontinence due to birth defects such as spina bifida. Stone has taught at seminars and institutions worldwide and has written extensively on urinary reconstructive surgery, continent urinary diversion,and neurourology.

Title

Professor

Vice Chair, Urology

Specialty

Urology

Department

Urology

Division

Urology

Clinic

Urology Clinic

Address/Phone

Lawrence J. Ellison Ambulatory Care Center, 4860 Y St. Suite 2200 Sacramento, CA 95817

Phone: 916-734-2222

Additional Phone

Physician Referrals: 800-4-UCDAVIS (800-482-3284)

Education

M.B., Ch.B., F.R.C.S., University of Edinburgh, Edinburgh, UK, 1972

B.Sc., University of Edinburgh, Edinburgh, UK, 1969

Internships

Dryburn Hospital, Durham, 1975

Royal Infirmary, Edinburgh, 1973

Royal Infirmary, Edinburgh, 1974
