“New Alternative Medicine Approaches to Brain Health”

Dr. Juliana Baldo

Thursday, August 31, 2017
UC Davis MIND Institute
6:00 – 7:30 p.m.

Dr. Juliana Baldo is Associate Director of the Center for Aphasia and Related Disorders at the Veterans Administration Northern California Health Care System. She is a clinical psychologist with extensive experience studying individuals, both young and old, with brain injuries.

With a growing emphasis on facilitating brain health for those in cognitive decline, Dr. Baldo’s research has focused on understanding the effectiveness of brain health and wellness classes. Her lecture will review preliminary findings about the usefulness of these tools to improve cognitive function for those with brain injuries.
