“Brain Health: Looking Back to Move Forward”

Dr. Rachel Whitmer

Thursday, Sept. 6, 2018
UC Davis MIND Institute
6:00 – 7:30 p.m.

Dr. Whitmer is a Professor and Division Chief of Epidemiology, Department of Public Health Sciences at the University of California, Davis (UCD). She leads the Population Science of Brain Health Laboratory. Her research focuses on using epidemiological methods to reduce inequities in brain aging in racial and ethnic minority groups, those with diabetes, and individuals living beyond age 90.

Dr. Whitmer’s presentation will focus on modifiable risk factors over the lifecourse and how health in early life impacts cognitive aging.
