ULTRASOUND GUIDED PERIPHERAL NERVE BLOCKADE WORKSHOP WITH CADAVER LAB

June 1-2, 2018
Granite Bay Golf Club, Granite Bay, CA
UC Davis Medical Center Anatomy Lab, Sacramento, CA

Sponsored by:
Office of Continuing Medical Education
Department of Anesthesiology and Pain Medicine
PROGRAM

Friday, June 1, 2018
Granite Bay Golf & Country Club
Lectures & Live Model Demonstration

7:00 am-8:00 am
Registration, Continental Breakfast
Visit Exhibits

USRA
8:00 am-9:30 am
Above the Clavicle and Femoral Nerve block
Below the Clavicle, Pectoralis block &
Adductor Canal block, IPACK

9:30 am-10:00 am
Coffee Break / Visit Exhibits

10:00 am-12:00 pm
Fascia Iliaca block, Ilioinguinal /
Iliohypogastric block, Lateral TAP block
Erector Spinae & Paravertebral block

12:00 pm-1:00 pm
Lunch / Visit Exhibits

POCUS
1:00 pm-3:00 pm
Cardiac Exam (FATE exam)
Lung Exam

3:00 pm-3:30 pm
Coffee Break / Visit Exhibits

3:30 pm-4:45 pm
Gastric, Airway & IVC Exams

4:45 pm-5:00 pm
Q & A: Ask the Experts

5:00 pm
Adjourn

Saturday, June 2, 2018
UC Davis Medical Center Anatomy Lab
Cadaver Lab

7:00 am-8:00 am
Registration, Continental Breakfast
Visit Exhibits

Hands-on Workshop
8:00 am-10:00 am
Above the Clavicle blocks
Below the Clavicle blocks & Pectoralis block
TAP block & Rectus Sheath block
Paravertebral block

10:00 am-10:30 am
Coffee Break

10:30 am-12:30 pm
Femoral block & adductor canal block
Popliteal block & IPACK block
Fascia Iliaca Block &
Ilioinguinal/Iliohypogastric block
Erector Spinae block

12:30 pm
Adjourn
NEEDS ASSESSMENT
The role of the anesthesiologist is to provide the patient with excellent perioperative pain control using multimodal pain techniques. One of the most important techniques the physician needs to perfect is performance of peripheral nerve blocks utilizing ultrasound guidance. The purpose of this workshop is to provide the physician with a comprehensive update on the latest developments in ultrasound guided regional anesthesia. This will be accomplished through practice on live models, followed by extensive practice with cadavers. Emphasis will be placed on scanning technique, image interpretation, needle guidance and continuous catheter insertion techniques.

This 1½ day workshop will provide physicians with evidence based methods and strategies to assist them in providing better treatment options for their patients. Faculty presenting and interacting with participants at this activity have been selected on the basis of their comprehensive clinical experience and academic excellence.

TARGET AUDIENCE
The course is designed for anesthesiologists and pain medicine physicians involved with the perioperative care of surgical patients.

PHOTO & VIDEO CONSENT
Your registration authorizes UC Davis Department of Anesthesiology and Pain Medicine to use and publish any images in any format taken during the course of this workshop. These images may be used for a variety of purposes and may appear on the departmental website, and promotional materials. Please speak to someone at the registration table if you take exception.

ASA/ASRA ULTRASOUND-GUIDED REGIONAL ANESTHESIA (UGRA) PORTFOLIO
This course has been approved and the session(s) listed are eligible for submissions as part of the ASA/ASRA UGRA Portfolio.
LOCATION

Granite Bay Golf Club
9600 Golf Club Drive
Granite Bay, CA 95746
http://tinyurl.com/llbmc4r

Granite Bay Golf Club, a premier Northern California golf club, is located in the Sierra Foothills east of Roseville, near the western shore of Folsom Lake, among granite outcroppings, mature oaks and natural lakes.

Cadaver Lab Location: The Cadaver Lab is held at the UC Davis Medical Center Anatomy Lab located in Facilities Support Services Building, 4800 2nd Avenue, Sacramento 95817.

Parking is available onsite. Please consider layered clothing as temperature conditions may vary in the meeting room.

If you have any special needs due to a disability as specified in the Americans with Disabilities Act, please call the Department of Anesthesiology and Pain Medicine at (916) 734-1574 so we may make the necessary accommodations for you.

ACCREDITATION

The University of California, Davis Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Physician Credit: The University of California, Davis Health designates this live educational activity for a maximum of 11 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ADDITIONAL INFORMATION

LOCAL ACCOMMODATIONS

Courtyard Sacramento Midtown
4422 Y Street
Sacramento, CA 95817
Telephone: 916-455-8600
ENROLLMENT

Registration for the 1 ½ day workshop is limited to 20 registrants and is filled on a first-come, first served basis. This workshop will fill up quickly so Register Early! Early enrollment tuition is $1,299. Confirmation of registration will be sent within two weeks after receipt of enrollment form.

Tuition includes continental breakfasts, refreshment breaks, lunch, and a certificate of attendance. Duplicate certificates are $15. Tuition may be paid by check, American Express, Discover, MasterCard or VISA. Cash is not accepted. Program materials cannot be guaranteed unless enrollment is received by May 19, 2018. The Department of Anesthesiology and Pain Medicine reserves the right to cancel this program. In such a case, a full refund will be given.

Registration forms received without payment will not be processed until payment is received, and payment must follow within 10 days. Early discount rates are honored if payment is received by the date noted on the enrollment form. After that date, the late fee is applied.

CANCELLATIONS & REFUNDS

A refund of tuition, less $75 administrative fee, will be allowed if requested in writing by May 11, 2018. No refunds will be provided after this date.

EDUCATIONAL OBJECTIVES

At the end of the program, participants should be able to demonstrate the ability to successfully perform:

- Ultrasound guided peripheral nerve blocks above the clavicle
- Ultrasound guided Femoral Nerve block
- Ultrasound guided peripheral nerve blocks below the clavicle, Pectoralis block & Adductor Canal block, IPACK
- Ultrasound guided Fascia Iliaca block, Ilioinguinal/Iliohypogastric block, Lateral TAP block Erector Spinae & Paravertebral block
- Ultrasound guided Gastric, Airway, IVC & Lung exams
