UC Davis Pain Series
Pain Management and the Appropriate Care and Treatment of the Terminally Ill
http://tinyurl.com/on8haw6
Fulfills California AB 487 Pain Management and Palliative Care Requirement. The Office of CME created the “War on Pain” course as an outreach for California physicians. This series on pain management and end-of-life was created without any pharmaceutical company support. It features UC Davis pain specialists who are also faculty physicians in the field of pain and palliative medicine. Fee $200
