Resident Diversity Committee

The focus of the committee is to:

1. Develop a strategic Outreach Plan for the UCDHC Schools of Health;
2. Increase the number of qualified underrepresented residents and trainees that apply to our programs;
3. Develop evaluation plan for the Office of Student and Resident Diversity, Inclusion and Community Engagement programs;
4. Aid our institution in ensuring adherence to LCME and ACGME standards that related to diversity and inclusion;
5. Collaborate with Center Translational SC, Center for Reducing Health Disparity and others in research of significance to underserved communities.
