The COE has created 20 priority sector profiles for the Greater Sacramento (North) and the Far North subregions to inform planning and investment in Career Education under the Strong Workforce Program and the California Community Colleges Chancellor's Office Economic and Workforce Development Division. Regional summary profiles contain data definitions and methodology. The Greater Sacramento (North) region consists of seven counties: Sacramento, El Dorado, Placer, Nevada, Yolo, Yuba, and Sutter.

This profile was supported by funds awarded by the CCCCO's Economic and Workforce Development Division. It was produced pursuant to grant agreement number 19-405-001. This project was also supported by Projects in Common funding from the Strong Workforce Program, North/Far North Regional Consortium.
