Dear Colleagues,

We are pleased to announce the 2014-2015 UC Davis Eye Center Continuing Medical Education Programs. Each year, our department, in conjunction with the UC Davis Health System Office of Continuing Medical Education, provides a series of Visiting Professor Grand Rounds, didactic programs, and our Annual Symposium designed to provide the community and our region with high-quality continuing medical education in ophthalmology.

Each of these activities has been approved for AMA PRA Category 1 Credits™. For the coming year, we have planned an exciting Visiting Professor Grand Rounds series listed in this brochure. We invite you to join us at the Eye Center for these CME activities in each of the subspecialties of ophthalmology.

On September 20, 2014, we will host, "The EYES of a CHILD", an enormously successful program geared to pediatricians, optometrists, school nurses, and technicians.

The 38th Annual Symposium will be returning to the Napa Valley Marriott Hotel, May 15-17, 2015. The full program, registration form and hotel information will be posted on Eye Center's website.

On Saturday, June 20, 2015, the Eye Center will host the 4th Annual Resident and Alumni Symposium on the UC Davis Medical Center Campus. This one-day educational program will include resident and fellow research presentations and will feature the Alumnus of the Year Lecturer and the Byron Demorest Lecturer.

We hope you will take advantage of these excellent educational opportunities.

Sincerely,

Mark J. Mannis, MD
CONFERENCE LOCATIONS
AMBULATORY CARE CENTER (ACC) 2400 & 3015B
4860 Y STREET, SACRAMENTO

CENTER FOR HEALTH & TECHNOLOGY (CHT) 1341
4610 X STREET, SACRAMENTO

VETERINARY MEDICINE (VET MED)
VET MED II, DAVIS
