Belvoir Community Hospital, Nirschil Orthopaedic Center, and Georgetown University. He returns to Travis AFB again as a Family Medicine/Sports Medicine Faculty member.

Joint Injections
-Michelle Rowe, DO

Dr. Rowe graduated from Michigan State University in 2002 and began a traditional internship at that time at Botsford General Hospital. She went on to complete her Family Medicine residency from 2005-2007 at O’Connor Hospital. Dr. Rowe completed a Sports Medicine Fellowship at University of Utah in 2008. She is currently a faculty member at San Joaquin General Hospital.
University of North Texas and a Bachelor of Science from Texas-Woman’s University.

Financial Planning
-Bryan Chew, JD
Bryan was an IRS agent for five years before graduating from McGeorge School of Law in 1989. He has been practicing as a financial planner for over 20 years and is a Professor in the Certified Financial Planning Program at UC Davis. He is the President of Bryan Chew and Associates - a firm with four planners, 2 interns, and a staff of five in the Greenhaven/Pocket area.

Splinting & Casting
-Courtney Dawley, DO, MAJ, USAF, MC
-Antonin Alexander, MD, MAJ, USAF, MC
Courtney Dawley is a staff Family and Sports Medicine physician at the David Grant Medical Center (DGMC) Family Medicine Residency. She completed her family medicine residency at DGMC in 2008 and completed her sports medicine fellowship at VCU-Fairfax in 2010. She attended Philadelphia College of Osteopathic Medicine and graduated in 2005. Her undergraduate degree was in Biochemistry from Bethany College in 2001. Dr. Alexander began his Air Force career while obtaining his undergraduate degree with a Bachelors in Science in Biochemistry at the United States Air Force Academy in 1997. He then attended the Uniformed Services University obtaining his MD in 2001. He began his affiliation with the UCD Network by completing his Family Medicine Residency at Travis AFB in 2004. He has had the opportunity to assist with the UCD splint/cast workshop once as a resident and twice as faculty. After spending 3 years as a staff family physician at Peterson AFB in CO, he was fortunate enough to come back to Travis AFB as faculty in the Family Medicine Residency Program from 2007-2011. He spent the last year completing a sports medicine fellowship with combined experiences at The Uniformed Services University, Ft. Worth.

Career Paths and Practice Options for Family
Practice Physicians: Yes, Family Medicine Can Pay Off Those Loans!
- Wendy Beecham, Managing Director, Executive Education

Wendy Beecham, Managing Director, Executive Education at the UC Davis Graduate School of Management, leads the development of customized executive education programs specially tailored to the needs of organizations and companies, including industry-specific programs such as the UC Davis Wine Executive Program, taught by world-renowned faculty and leading industry experts.

Beecham brings over 25 years of senior level corporate leadership experience to the role. She had a long term career in the information industry beginning as a corporate librarian and spanning a variety of senior roles including senior vice president at LexisNexis Group and managing director of London-based Sweet & Maxwell Group, a legal division of the Thomson Corporation.

Beecham serves on the board of Granicus, Inc., an equity-backed award-winning provider of software-as-a-service for the government market. She is also on the Advisory Board of Dynamic Results, an international consulting firm and Illuminate Ventures, a fund focused on investing in US based, early stage high growth technology companies, led by talented and diverse teams, particularly those that are
CONFERENCE SPEAKERS

Meet the Millennials
- Kendra Harris, MA, CLS

Kendra Harris is the Director of Student Affairs with the UCD School of Medicine. She has been with the School for more than 15 years, and in that time observed major changes in student attitudes and behaviors, leading her to investigate generational differences in the workplace and educational setting. She holds a Masters degree in Education, and a Clinical Laboratory Scientist degree. She also teaches Microbiology at a local college, and develops curriculum for Los Rios Community College district. She has 2 daughters who are both millennials.

Deposition and Review
- Jonathan Corr, JD

Mr. Corr grew up in Sacramento and received his undergraduate degree from the University of California at Berkeley in 1992. He then attended law school at the University of San Diego, obtaining his Juris Doctorate in 1997. After working briefly for the District Attorney’s office in San Diego, Jonathan joined Porter Scott in 1998. He became a shareholder in January of 2005.

Jonathan's litigation practice includes representing physicians, nurses, hospitals, skilled nursing facilities and residential care facilities in medical malpractice, elder abuse and a variety of other litigation areas. He has represented clients in a variety of forums, including Superior Courts and the Court of Appeals.
