RE: Drug/Alcohol Testing

The National Shriners organization instituted mandatory drug and alcohol testing for all employees and medical staff members effective September 1, 1991. This includes all incoming residents and fellows. We certainly realize the inconvenience of this testing in your busy schedule. However, delay of completing this will delay processing all other clearances for your rotation at Shriners including medical records access and scheduling computer training. This must be done 14-28 days prior to the start of your rotation. Don’t delay. This will affect your rotation at Shriners.

Please see next page for specific locations. For residents rotating at Shriners, the first location listed will schedule an appointment for drug screens. Please take the required Chain of Custody and Clinic Authorization forms with you to your appointment. A picture ID is required. The form will need to be signed/dated at your appointment. For immediate results, please call the 800 number listed on the front of the Chain of Custody form after completion of sample.

PLEASE MAKE AN APPOINTMENT (if available): Call US
HEALTHWORKS – 916-451-4580 located at: 1675 Alhambra Blvd, #8 (other locations listed on enclosed form). Call 24 hours in advance to make an appointment. Make sure you mention Shriners Hospital for Children.

If you should have any questions, please feel free to contact me at 916-453-2060. Thank you for your prompt attention to this matter.
