Represented Nurses Receive Step Increase

Effective June 27, 2011, employees in the Nurse (NX) bargaining unit in non-per diem titles advanced to the next step in their salary range, up to the range maximum.

Also effective June 27, 2011, a new step 16 was added to the Clinical Nurse II salary range. CN II’s at the previous range maximum of step 15 became eligible for a step increase to step 16.

The step advancement was paid in the July 20, 2011, biweekly paycheck.

Employees in the Senior Nurse Anesthetist title, which uses experience-based step advancement, will move to the next step if they have the requisite amount of experience.
