Creating a More Inclusive Workplace

Training and Development is proud to offer a class called, *Creating a More Inclusive Workplace*. This class will cover the multitude of personalities, talents, skills, diversity, and unique individual traits that make up the workplace, with the goal of fostering a more inclusive work environment. Attendees will learn the tactics for creating an inclusive workplace, empowering them to foster environments in which both they and their colleagues can thrive.

Through a combination of lecture and small-group exercise, participants will learn a variety of tools and techniques aimed at enhancing their work environment along with that of others. These strategies help to greatly improve work function and efficiency by helping participants to overcome common work-place challenges.

This class is scheduled as follows:
