Represented Nurses Receive Step Increase

Effective June 27, 2010, NX employees in non-per diem titles will advance to the next step in their salary range, up to the range maximum.

The step advancement will be paid in the July 21, 2010, biweekly paycheck.

Employees in the Senior Nurse Anesthetist title, which uses experience-based step advancement, will move to the next step if they have the requisite amount of experience.

Questions can be directed to the Compensation Unit at 4-5009.
