UC Clerical Employees – CUE – Teamsters affiliation

As you may have heard, several of our unions – UPTE, AFSCME and CUE – have been involved in a contest to represent clerical employees. The leaders of the Coalition of University Employees union (CUE) recently announced that CUE has voted to affiliate with the International Brotherhood of Teamsters union (“Teamsters”) and they have petitioned the Public Employment Relations Board (PERB) to reflect this affiliation. PERB is reviewing that request.

CUE representatives have stated that CUE will be an independent local of the Teamsters union with the same structure and leadership, and that the same bargaining team will continue to represent clerical employees in collective bargaining.

The University, as a matter of policy, has and will remain neutral in its orientation on this issue.

As this is strictly a union matter, you should contact your union representative if you have questions.
