If you are employed by a government or not-for-profit organization, you may be able to receive loan forgiveness for your FAFSA student loan under the Public Service Loan Forgiveness Program.

An option that may also be available to you is an OSHPD loan repayment or scholarship through the Health Professions Education Foundation (HPEF). This organization is a state non-profit established in 1987. HPEF has awarded more than 12,882 scholarships and loan repayments totaling more than $146.7 million to California health professionals serving in all 58 counties in areas of unmet need.

Learn more about how these programs operate, and how you may be eligible to participate in these student loan/public service loan forgiveness programs.
