SCHOOL OF MEDICINE, UNIVERSITY OF CALIFORNIA, DAVIS

ADULT HEMATOLOGIST-HEMOPHILIA TREATMENT CENTER DIRECTOR

Division of Hematology and Oncology

The Dept of Int Med/Div of Hematology and Oncology, School of Medicine, University of California, Davis is seeking one full time Hematologist to serve as Director of the Adult Hemophilia Treatment Center at the Associate or Full Professor level. Candidates must possess an MD degree, be board-certified in Internal Medicine and Hematology as well as possess a California medical license at the start of employment.

Primary responsibilities of this position are to provide comprehensive care for patients with disorders of hemostasis and thrombosis, with a focus on non-malignant hematology. The Director will have programmatic responsibility for the center to facilitate patient care, and ensure the center accomplishes regional and federal priorities, and individual unit goals and objectives. Additional responsibilities include being engaged in teaching, clinical and professional activity, University service and creative activity that may include bench, clinical or translational research, participate in patient care on the UC Davis inpatient wards and consult service, outpatient clinic, and teach medical students, house staff, and fellows.

Qualified applicants should upload a letter of interest, five references and their curriculum vitae online at https://recruit.ucdavis.edu/apply/JPF00435 by 3/31/2015.

Questions regarding this position should be emailed to HemOncJobs@ucdavis.edu
