Integrating Quality: Linking Clinical and Educational Excellence at UCDHS
Education Building Lecture Hall 1222
March 9, 2011

8:00 am  Continental Breakfast

8:30 am  Introduction- Frederick J. Meyers, MD, MACP
Executive Associate Dean

8:40 am  Plenary- All I Really Need to Know I Learned in Medical School
And Residency (or was it kindergarten?)
Ulfat Shaikh, MD, MPH, MS
Associate Professor of Pediatrics

9:10 am  Introduction of the Concepts of Quality Care to Third
Year Medical Students During the Internal Medicine
Clerkship
Presenter- Hershan Johl, MD

Improving Patient Care through Curriculum Re-Design
Presenter -Kay Nelsen, MD

Internal Medicine Resident Quality Improvement
Addresses Diabetes Disparities for the Urban
Underserved
Presenter- Craig Keenan, MD
Co-authors- Timothy Stocker, MD, Caitlyn Meltvedt, Research
Assistant, Mark Henderson MD, Tonya Fancher, MD, MPH

10:20- 10:40 am  BREAK

10:40 am  Institutional Central Line Training- Initial Outcome
Presenter- Jonathan Pierce, MD
Co-authors- Lynette Scherer, MD, Betsy Bencken, MS, Aaron Bair, MD

Improving Adherence to Children’s Asthma Care
National Hospital Inpatient Quality Measures
Presenter- Yuan-Nicole Chao, MD
Co-authors-Ulfat Shaikh, MD, MPH, MS, Ruth McDonald, MD,
JoAnn Natale MD, PhD, Pamela Mooney, RN, MSN, Marie Goren,
RN
Postpartum Depression Screening in the Ambulatory Setting
Presenter- Courtney LaCaze, MD
Co-authors- Erik Fernandez y Garcia, MD, Mark Ratanasen, MD, Marc Ikeda, MD, Gia Oh, MD, Jean Pierce, MD, Carrie Gardner, MD, Patty Ku, MD

12:00 - 1:15 pm Lunch with Poster Presentations

Posters-

Successful Transition from Open Lobectomy to VATS Lobectomy as Up Front Therapy for Early Stage Lung Cancer without Diminishing Resident Operative Experience
Submitters- David Cooke, MD, Minghui Liu, MD, Royce F. Calhoun, MD, A. Paymon Mahfoozi, MD, Valerie Kuderer, BA, J. Nilas Young, MD

A Prospective Multi-Center RCT to Evaluate the Impact of Simulation Practice (ERCP Mechanical Simulator) in Trainees’ Early Clinical ERCP Performance
Submitters- Joseph Leung, MD, Brian Lim, MD, John Lee, MD, Danny Yen, MD, Laurel Beckett, PhD, Daniel Tancredi, MD, Felix Leung MD, Catherine Ngo, MD

Collaborative Chemotherapy Efficiency Project Improves Length of Stay and Safety of Chemotherapy Administration
Submitters- Patricia Palmer, RN, MS, AOCNS, Andrea Iannucci, PharmD, BOCP, Helen Rice, RN, MSN, OCN, Scott Christensen, MD, Nicole Avalos, MOSC, Ellen Wong, PharmD

A Multidisciplinary Team Approach to Best Practices While Decreasing Length of Stay
Submitter- Holly Kirkland-Walsh, FNP, GNP

Determining the Rate of IVC Filter Retrieval at the University of California, Davis Medical Center (UCDMC): Comparison of Administrative Discharge, Billing and Radiology Data
Submitters- Roksahra Rafii, MD, Susan Murin, MD, Daniel Link, MD, Richard White, MD, B. Danielsen, PhD
Retrospective Evaluation of the Incidence of Hypoglycemia and Related Outcomes with Intensive Insulin Therapy in Critically Ill Patients

Submitters- Maha Kadafour, PharmD, Patricia Parker, PharmD, Nancy Wu, MS, Tina Palmieri, MD, Andrea Bechtold, PhD

Cases of Iatrogenic Pneumothorax Can Be Identified From ICD-9-CM Coded Data

Submitters- Banafsheh Sadeghi, MD, PhD, Ruth Baron, RN, Patricia Zrelak, PhD, CNRN, CNAA-BC, Garth H. Utter, MD, MSc, Jeffrey J. Geppert EdM, JD, Daniel Trancredi, PhD, Patrick S. Romano, MD, MPH

An Evaluation of Surgical Resident Involvement on Operative Time and Perioperative Morbidity and Mortality: Insight into the Impact of Surgical Education

Submitters- Warren H. Tseng, MD, Leah Jin, BS, Robert J Cantor, MD, Steve R. Martinez, MD, MAS, Vijay P. Khatri, MD, Jeffrey Gauvin, MD, Richard J Bold, MD, David Wisner, MD, Sandra Taylor, PhD, Steven L. Chen, MD MBA

Using Registries in a Chronic Care Curriculum Can Positively Impact flu Vaccination Rates in diabetes Patients Cared by Resident Physicians

Submitters- Jeremy Law MD, Kay Nelsen, MD

1:20 pm Plenary- Shaping Practice: Linking Quality and Education
Jacqueline Stocking, RN, MSN, MBA
Manager for Performance Improvement and Patient Safety

1:40 pm Observations on the Reported Incidence of Pulmonary Embolisms and Deep Vein Thromboses at UC Davis Medical Center
Presenter- David Wisner, MD
Co-author Lily Cheng, MS3

Staff Compliance with Resistant Organism Precautions and Hand Hygiene
Presenter- Sherrill R. Brown MD

Transfusing the Massively Bleeding Patient: A Multidisciplinary Approach to Quality Improvement
Presenter- Brian Poirier, MD
UC Davis Team Huddles- video
Presenter- Joann Seibles, MD, Thomas Balsbaugh, MD, Angela Gandolfo, Advisor, Performance Improvement, Clinical Operations

3:00 pm   Wrap-Up

Next Years Date March 1, 2012
(same day as the Medical Student Research and Poster forum)
