  - You can apply to vote online or print out the application
  - Voter registration forms in Spanish, Chinese, Hindi, Japanese, Khmer, Korean, Tagalog, Thai, and Vietnamese are also available.

Getting appointed to a state board/commission:
- [http://gov.ca.gov/m_appointments.php](http://gov.ca.gov/m_appointments.php)
  - Instructions for applying for appointment from Governor Brown’s website, including the actual online application.

Finding your elected officials:
  - To find your local officials, highlight the dropdown menu “Take Action” on the top-left side of the page and click on “Find Your Elected Officials”
  - Search by address, zip code, or state to find your state (governor, lt. governor, treasurer, and state senators/assembly members) and federal elected officials (senators and house representatives)
  - At the bottom-left of the home page, there is a list titled “Directories.” Listed under this is “Local elected officials” – click on this.
  - This will take you to the local elected official directory where you can search for your elected official by zip code, city, state, or the official’s last name.
    - Note: depending on which criterion you use, you will get different results.
      - Zip code will tell you your country supervisors, county administrator, and clerk-recorder
      - City will tell you your mayor, city council members, city manager, and city clerk.
      - Last name will get you the matching individual.
