UC DAVIS
SCHOOL OF MEDICINE

Welcoming back to campus

ALL School of Medicine Alumni!

It's a Class Reunion year for

2007 • 2002 • 1997 • 1992 • 1987 • 1982 • 1977 • 1972

and a “catch-up” reunion for

2005 • 2000 • 1995 • 1990 • 1985 • 1980 • 1975

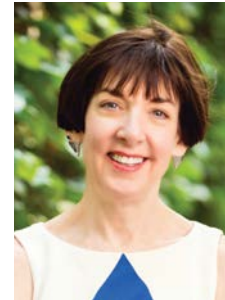

2006 • 2001 • 1996 • 1991 • 1986 • 1981 • 1976

(since we missed you in 2015 and 2016)!

Come back to reconnect and reminisce.

Come away with renewed pride and fondness for your medical alma mater – your teachers and mentors, your friends and classmates who you first met here.

GREETINGS to ALL UC Davis School of Medicine Alumni!

Please take a few moments to read through this brochure to find out what's in store for you during Alumni Weekend 2017 – October 27-28. It's an activity-packed day and a half – beginning Friday late morning through Saturday evening.

I encourage you to make a special effort to join UC Davis School of Medicine (SOM) leadership, faculty, staff, friends and classmates for this celebration. Whether you are a MD, residency or fellowship graduate, whether you are in a reunion year or not, this is *your* weekend to be on campus to reconnect, reminisce, and learn more about everything that is great about your medical alma mater.

Hear from some of our stellar faculty (and fellow UC Davis med alumni) and medical leadership. Meet UC Davis medical students. Tour spots you may have never seen before. Raise a glass, break bread, and share a laugh with old friends. Whether you live 2 miles from campus or 2000, join us. We promise it will be worth the trip.

If your MD graduation year ends in a 2 or 7 (or 0 or 5 or 1 or 6!), this is your year for a class reunion celebration. (We're playing catch-up on reunions for those who missed theirs in 2015 and 16.) Reach out and rally your classmates to come and make your reunion gathering truly memorable. If you want to plan a special “just for your class” dinner or activity on Saturday evening, let us know, and we'll work with you to plan it.

On a practical note, be aware that our pricing structure offers you a choice of either an all-inclusive package price (a GREAT deal!) or an à la carte option with a basic registration fee and individual event pricing.

The registration process is simple. Use the enclosed “Guide to Registration” as your roadmap. Choose the events you and your guests plan to attend. Visit <http://conferences.ucdavis.edu/somalumniweekend> to register on line and pay by credit card, or fill out your “Guide to Registration” and mail it back to us with your check.

Have questions? Want to know who else has registered? Be in touch with me any time. Email medalumni@ucdavis.edu or call 916-734-9410. Our UC Davis Health campus community looks forward to seeing you in October.

Schedule of Events

Friday, October 27 – Sacramento Campus

11 a.m. – 6 p.m. On-going check-in and registration

Start off the festivities at the Medical Education Building (4610 X St. – see the map) where you will pick up your Alumni Weekend program (schedule with event locations), nametag and other treats. It's also a great spot to meet up with friends and family in between events.

11:45 a.m. – 1 p.m. Mentoring Mix and Mingle Lunch

Sign up to join fellow alumni and our medical students for an informal, “speed mentoring” lunch. This is a chance to meet and talk with students who are interested in your specialty and your career path since graduating from medical school and create opportunities for a longer term connection.

1 p.m., 2 p.m. Guided Walking Tours of the Medical Campus

These student-led walking tours will offer a great overview of the entire medical campus. See what's new since the last time you visited campus and have a chance to chat informally with your medical student guide.

1 – 4:30 p.m. For Posterity and Fun: Share a story from Med School and beyond

In a format similar to NPR's “Story Corp”, this will be an opportunity for alums to share – via video recording – a story, memory or a moment of epiphany from your time at UC Davis School of Medicine. Stop by our studio and take 5 minutes to share your thoughts for posterity. You can tag a classmate or friend, too!

1:30 – 2:45 p.m. Guided Tours – choice of:

■ Center for Health Technology

The CHT is one of the University of California's premiere facilities for advancing innovation in clinical telehealth, health education and research. This tour will provide interactive demonstrations and a look at how technologies are being integrated into the UC Davis Schools of Health curriculum.

■ UC Davis Children's Hospital

Sacramento region's only nationally-ranked, comprehensive hospital for children and the Central Valley's only level 1 pediatric trauma center and emergency department, this 129-bed hospital includes state-of-the-art neonatal, pediatric and pediatric cardiac intensive care units and is renowned for its telemedicine capabilities. Get an in-depth look at and learn about this state-of-the-art facility and its technology on this special guided tour.

■ Betty Irene Moore Hall

Betty Moore Hall is the newest building on our medical campus, opening in mid-October (just a week before you arrive for Alumni Weekend!). It serves as the fourth structure in the educational core of the campus located at the corner of Y Street and Second Avenue. This 70,000-square-foot building will feature collaborative learning spaces rather than traditional classrooms. It is home to the School of Nursing and health sciences education.

3 – 4:45 p.m. Reunion Class Catch-up

Gather with your classmates as a group and pass the mic to reconnect, reminisce and share what you've been up to since graduation. Bring your thumb drive with some pictures to show on the big screen!

5 – 5:45 p.m. A Town Hall meeting with UC Davis Health Leadership

Hear the latest of what is happening at UC Davis Health – the School of Medicine and the Medical Center. Plan on a lively conversation with plenty of time for Q and A.

6 – 7:30 p.m. All-Alumni Welcome Reception and Alumni Awards Presentation

Welcome Reception and Awards

Celebrate with classmates, friends, School of Medicine faculty and staff (current and emeriti). Relax, raise a glass, enjoy hors d'oeuvres. Good company and conversation is guaranteed (and timing gives you a chance for dinner in town on your own)! A Distinguished Alumni Award and a Humanitarian Award may be presented as well.
