We see a child who deserves the best medical care.
You see world leaders in children’s emergency medicine.

With the region’s only level 1 pediatric trauma center and emergency department dedicated to children, UC Davis is the place for children needing emergency medical care. Here, experts specially trained in pediatric emergency medicine understand the nuances of caring for critically ill or injured children and are setting new standards for pediatric emergency care worldwide. If it’s your child, UC Davis is where you want to be.
