I. Purpose

The information you are seeking is provided by UC Davis Health. This information is intended for patients who do not have insurance or who do not meet the income eligibility thresholds for Charitable Care.

UC Davis Health is committed to providing high-quality care to all patients, regardless of their ability to pay. The health system has developed policies and procedures to ensure that patients who do not have insurance or who do not meet income eligibility thresholds for Charitable Care are not disproportionately burdened with medical bills.

VI. Access to Care

A. When admission and emergency care is needed, the patient must present to the Emergency Department (Emergency Room) or the designated emergency room of a health care provider. The Emergency Department will assess the patient's immediate medical condition and refer the patient to the appropriate medical specialty, if necessary. The patient will be billed according to the hospital's policies.

B. If a patient requires emergency medical care, they will be assessed by the Emergency Department and referred to the appropriate hospital department. The patient may be required to pay a co-payment for services provided. The patient may also be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

C. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

D. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

E. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

F. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

G. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

H. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

I. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

J. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

K. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

L. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

M. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

N. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

O. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

P. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

Q. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

R. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

S. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

T. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

U. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

V. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

W. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

X. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

Y. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.

Z. If a patient is unable to pay for medical services, the Financial Counseling Department will assess the patient's ability to pay and refer the patient to the appropriate hospital department. The patient may be referred to the Financial Counseling Department for assistance. The patient will be billed according to the hospital's policies.
VII. Charity Care

A. Charity Care

1. Applicants who have an annual income below 200% of the Federal Poverty Level (FPL) may be eligible for charity care.

2. Applicants whose annual income is between 200% and 400% of the Federal Poverty Level (FPL) may be eligible for FPL-Related Charity Care.

3. Applicants whose annual income is between 400% and 100% of the Federal Poverty Level (FPL) may be eligible for 100% Charity Care.

4. Applicants whose annual income is between 100% and 50% of the Federal Poverty Level (FPL) may be eligible for 50% Charity Care.

5. Applicants whose annual income is below 50% of the Federal Poverty Level (FPL) may be eligible for 0% Charity Care.

B. Determining Eligibility for Charity Care

A. 1. Applicants who have an annual income below 200% of the Federal Poverty Level (FPL) may be eligible for charity care.

2. Applicants whose annual income is between 200% and 400% of the Federal Poverty Level (FPL) may be eligible for FPL-Related Charity Care.

3. Applicants whose annual income is between 400% and 100% of the Federal Poverty Level (FPL) may be eligible for 100% Charity Care.

4. Applicants whose annual income is between 100% and 50% of the Federal Poverty Level (FPL) may be eligible for 50% Charity Care.

5. Applicants whose annual income is below 50% of the Federal Poverty Level (FPL) may be eligible for 0% Charity Care.

B. Determining Eligibility for Charity Care

A. 1. Applicants who have an annual income below 200% of the Federal Poverty Level (FPL) may be eligible for charity care.

2. Applicants whose annual income is between 200% and 400% of the Federal Poverty Level (FPL) may be eligible for FPL-Related Charity Care.

3. Applicants whose annual income is between 400% and 100% of the Federal Poverty Level (FPL) may be eligible for 100% Charity Care.

4. Applicants whose annual income is between 100% and 50% of the Federal Poverty Level (FPL) may be eligible for 50% Charity Care.

5. Applicants whose annual income is below 50% of the Federal Poverty Level (FPL) may be eligible for 0% Charity Care.

B. Determining Eligibility for Charity Care

A. 1. Applicants who have an annual income below 200% of the Federal Poverty Level (FPL) may be eligible for charity care.

2. Applicants whose annual income is between 200% and 400% of the Federal Poverty Level (FPL) may be eligible for FPL-Related Charity Care.

3. Applicants whose annual income is between 400% and 100% of the Federal Poverty Level (FPL) may be eligible for 100% Charity Care.

4. Applicants whose annual income is between 100% and 50% of the Federal Poverty Level (FPL) may be eligible for 50% Charity Care.

5. Applicants whose annual income is below 50% of the Federal Poverty Level (FPL) may be eligible for 0% Charity Care.

B. Determining Eligibility for Charity Care

A. 1. Applicants who have an annual income below 200% of the Federal Poverty Level (FPL) may be eligible for charity care.

2. Applicants whose annual income is between 200% and 400% of the Federal Poverty Level (FPL) may be eligible for FPL-Related Charity Care.

3. Applicants whose annual income is between 400% and 100% of the Federal Poverty Level (FPL) may be eligible for 100% Charity Care.

4. Applicants whose annual income is between 100% and 50% of the Federal Poverty Level (FPL) may be eligible for 50% Charity Care.

5. Applicants whose annual income is below 50% of the Federal Poverty Level (FPL) may be eligible for 0% Charity Care.

B. Determining Eligibility for Charity Care

A. 1. Applicants who have an annual income below 200% of the Federal Poverty Level (FPL) may be eligible for charity care.

2. Applicants whose annual income is between 200% and 400% of the Federal Poverty Level (FPL) may be eligible for FPL-Related Charity Care.

3. Applicants whose annual income is between 400% and 100% of the Federal Poverty Level (FPL) may be eligible for 100% Charity Care.

4. Applicants whose annual income is between 100% and 50% of the Federal Poverty Level (FPL) may be eligible for 50% Charity Care.

5. Applicants whose annual income is below 50% of the Federal Poverty Level (FPL) may be eligible for 0% Charity Care.

B. Determining Eligibility for Charity Care

A. 1. Applicants who have an annual income below 200% of the Federal Poverty Level (FPL) may be eligible for charity care.

2. Applicants whose annual income is between 200% and 400% of the Federal Poverty Level (FPL) may be eligible for FPL-Related Charity Care.

3. Applicants whose annual income is between 400% and 100% of the Federal Poverty Level (FPL) may be eligible for 100% Charity Care.

4. Applicants whose annual income is between 100% and 50% of the Federal Poverty Level (FPL) may be eligible for 50% Charity Care.

5. Applicants whose annual income is below 50% of the Federal Poverty Level (FPL) may be eligible for 0% Charity Care.

B. Determining Eligibility for Charity Care

A. 1. Applicants who have an annual income below 200% of the Federal Poverty Level (FPL) may be eligible for charity care.

2. Applicants whose annual income is between 200% and 400% of the Federal Poverty Level (FPL) may be eligible for FPL-Related Charity Care.

3. Applicants whose annual income is between 400% and 100% of the Federal Poverty Level (FPL) may be eligible for 100% Charity Care.

4. Applicants whose annual income is between 100% and 50% of the Federal Poverty Level (FPL) may be eligible for 50% Charity Care.

5. Applicants whose annual income is below 50% of the Federal Poverty Level (FPL) may be eligible for 0% Charity Care.

B. Determining Eligibility for Charity Care

A. 1. Applicants who have an annual income below 200% of the Federal Poverty Level (FPL) may be eligible for charity care.

2. Applicants whose annual income is between 200% and 400% of the Federal Poverty Level (FPL) may be eligible for FPL-Related Charity Care.

3. Applicants whose annual income is between 400% and 100% of the Federal Poverty Level (FPL) may be eligible for 100% Charity Care.

4. Applicants whose annual income is between 100% and 50% of the Federal Poverty Level (FPL) may be eligible for 50% Charity Care.

5. Applicants whose annual income is below 50% of the Federal Poverty Level (FPL) may be eligible for 0% Charity Care.

A. For questions or concerns, please contact:
Counselor for patient financial services (Customer Service Manager). This position is intended to serve as a lead for patient financial services (The Assistant Director of Finance for Patient Financial Services) to provide support to the patient financial services.

B. Listed above are discount care, discount (Discount Payment), and patient financial information (Patient Financial Information) to be reviewed at the Nursing Department and the Health Planning and Development Office (OSHPD, Office of Statewide Health Planning and Development) to further understand the process.

UCDMC and the Assistant Director of Finance can be reached by calling 916-734-9172 or the Customer Service Manager at 916-734-9206.

UCDH currently supports the team in designing and implementing the Patient Financial Services Administration.

XIII. Contact Information

To reach us:
