Medical Microbiology and Immunology
MMI 291 Seminar Series
Emerging Challenges in Microbiology and Immunology
Current Theme: Interdisciplinary Research

Dr. Priya Shah
Assistant Professor
Departments of Chemical Engineering and Microbiology and Molecular Genetics
University of California, Davis

“Systems Flavivirology”

Friday, December 8, 2017
Genome and Biomedical Sciences Facility, Auditorium Room 1005
12:10 PM – 1:00 PM

Research work: Her lab uses viruses and engineering principles to perturb and control biological networks.
