Contact Information: (916) 703-0222

Program description:

Camp MIND will focus on fun! This camp is geared towards children ages 6 through 12 who are diagnosed with a Neurodevelopmental disorder. Children will engage in recreational activities and group play. Our campers will meet new peers while participating in a variety of recreational activities that will promote friendships and encourage them to feel confident about themselves.

This camp will offer group games, craft activities, yoga, and music therapy, outside activities, positive reinforcement, teamwork, and encouraging communication skills.

We offer four separate camp sessions:

Hours: Mon-Fri 9:30 AM to 12:30 PM

Cost of Program: \$100.00

Some activities will involve:

- Making new friends
- Giving and accepting compliments
- Using self-control
- Stress management
- Being a good sport
- Working as a team

Sessions:

Session one: June 12th – 16th ages 6 to 7 registration closes May 25th

Session two: June 26th – 30th ages 8-10 registration closes May 29th

Session three: July 10th – 14th ages 8-10 registration closes June 12th

UC Davis MIND Institute Summer Camp Application

To ensure full consideration for the camp, applications must be filled out entirely and submitted by the registration deadlines. Due to the high demand, we will be implementing a lottery system. Three days after the registration deadline for that session, selected families will be notified and will proceed with registration. The camp requires a \$100 fee for the entire week.

Please Note: If you were contacted from the Social Skill's waitlist for this camp your future placement in the Social Skills program will in no way be affected by whether you choose to participate in this camp – these two programs are separate. Participating in the summer camp is optional and does not guarantee you a spot in next year's Social Skills Program – you will still need to go through the waitlist process.
