You are invited to the 2012 “Navigating Prostate Cancer” Golf Tournament

Friday, June 22, 2012
Empire Ranch Golf Club, Folsom, CA

To benefit the WeCARE! Prostate Cancer Peer Navigator Program and Prostate Cancer Education

The UC Davis Comprehensive Cancer Center:

- is the only National Cancer Institute center serving California’s Central Valley and inland Northern California, a region of 6 million people.
- cares for more than 9,000 adults and children each year.
- is among the nation’s largest cancer clinical trials programs, with 150 adult clinical trials and 50 pediatric clinical trials under way at any given time.
- is the region’s only Marrow Donor Transplant Program Center, ensuring patients immediate access to potential donors from around the world.
- is the only facility in the Sacramento region honored by the Oncology Certification Corporation for its use of highly trained oncology-certified nurses.

Funds raised will benefit the community-based WeCARE! Prostate Cancer Peer Navigator Program, sponsored by the UC Davis Comprehensive Cancer Center, and designed to offer support, “cancer coaching” and resources to newly diagnosed prostate cancer patients.
Join us in supporting the 2nd Annual “Navigating Prostate Cancer” Golf Tournament to benefit the community-wide WeCARE! Prostate Cancer Peer Navigator Program. Prostate cancer survivors are recruited and trained to be “cancer coaches” to newly diagnosed prostate cancer patients and provide accurate, current disease and treatment information, resources, and support throughout treatment.

Your support as a participant or sponsor will help us meet the requests for prostate cancer peer navigators and provide prostate cancer educational opportunities for men throughout the region.
