

# IMPORTANT NOTICE

## regarding patient and visitor parking

As of July 1, parking for patients and visitors will no longer be available in Parking Structure 1. Please review the information below and refer to the map for additional parking options.

### If you are visiting the Cypress Building or surrounding locations

- Short-term parking is available in Lot 1, the metered lot at the south side of the Cypress Building (facing Stockton Blvd.)
- Additional short-term parking is available in Lot 8, around the front of the Cypress Building (adjacent to 39th St.)
- The maximum time limit is 2 ½ hours

### If your appointment is in the hospital

- Short- and long-term parking is available in Parking Structure 3 (entrance on X St.)
- Patients and visitors may park in the Lower Level, Level 1 and Level 2
- Please remember to take your entry ticket with you and pay at the central cashier or automated pay stations before returning to your vehicle – you will not be able to exit without a paid ticket
- There is no time limit on parking in Parking Structure 3
- Additional short-term parking may be available in Lot 3 between the main hospital entrance and the emergency department (maximum 2 ½ hours)
