

Intercampus Shuttle

What you need to know !!

Our buses have lifts that comply with the Americans with Disabilities Act (ADA) and are able to accommodate a "common wheelchair" as defined in the ADA regulations. A common wheelchair is defined as being not more than 48" in length or 30" in width (measured 2" above the ground) and not weighing more than 600 pounds when occupied.

Seating is available on a first-come first-served basis for passengers with boarding passes and visitors.

Our buses are equipped with bike racks and are available on a first-come first-served basis. **Bicycles will not be allowed inside the bus.**

There is **no eating, drinking, or smoking in the bus.**

Please do not distract the drivers. Conversations and cell phone use must be conducted quietly.
