WEDNESDAY
March 28

5:00 p.m.
Education Building
Room 1204

Sponsored by:
The Resident Medical Staff Committee (RMSC)

with the help of
The Office of Student and Resident Diversity (OSRD)

Please join us for a presentation on Dr. Villablanca and Dr. Howell’s NIH Funded study that discusses factors that influence the careers of women, in addition to discussion on how to overcome gender differences in academic medicine.

Appetizers and light refreshments will be served.
