

Cheung ATW. Blood flow abnormalities in sickle cell anemia. In: Reflections and Outlooks on Advances in Engineering Mechanics: In Honor of Professor Theodore Y.T. Wu (Edited by Chwang AT, Teng MH and Valentine DT), World Scientific Publications, New York, pp. 425-439. [The Theodore Y.T. Wu Symposium on Engineering Mechanics was held on 21st-22nd June 2004 in Vancouver in honor of Professor Wu’s 80th birthday. The papers presented were peer-reviewed and collectively contributed to the publication of this book. The symposium and publication were sponsored by the Ocean Engineering Committee of the Ocean, Offshore and Arctic Engineering Division of the American Society of Mechanical Engineers (ASME), the Fluids Technical Committee of the Engineering Mechanics Division of the American Society of Civil Engineers (ASCE) and the National Science Foundation (NSF)], 2006.
