NOTICE OF CHANGE OF SERVICE

Date: January 16, 2007
To: Housestaff and PCN Physicians, Faculty, and Nursing Personnel
From: Kim Janatpour, MD
Assistant Professor
Director of Immunology
RE: Change in RAST mold allergen nomenclature.

Effective immediately, due to new scientific nomenclature standards, the genus and species names of four mold allergens will be modified. The product itself is not changing. Please see the table below.

<table>
<thead>
<tr>
<th>ImmunoCAP Code</th>
<th>Former Name</th>
<th>New Name</th>
</tr>
</thead>
<tbody>
<tr>
<td>M1</td>
<td>Penicillium notatum</td>
<td>Penicillium chrysogenum</td>
</tr>
<tr>
<td>M8</td>
<td>Helminthosporium halodes</td>
<td>Setomelanomma rostrata</td>
</tr>
<tr>
<td>M9</td>
<td>Fusarium moniliforme</td>
<td>Fusarium proliferatum</td>
</tr>
<tr>
<td>M10</td>
<td>Stemphylium botrysum</td>
<td>Stemphylium herbarum</td>
</tr>
</tbody>
</table>

If there are any additional questions or concerns, please contact Skip Aitkens (4-7599), Joann Sugioka (4-3041), or Dr. Kim Janatpour (4-2651).
