

Cosmetic Breast Services and Skincare Event

You're invited!

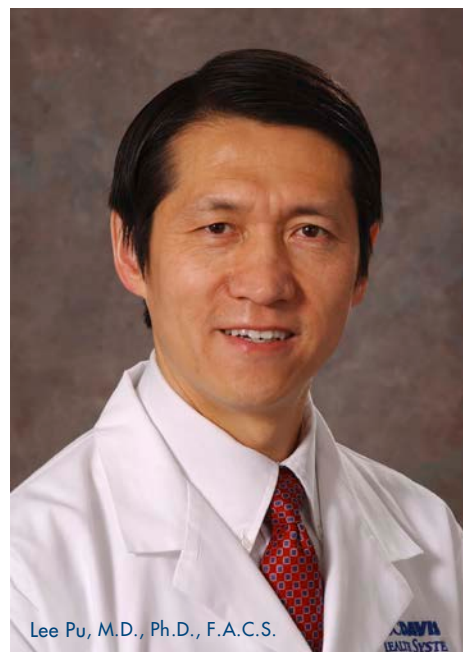

Join UC Davis Health System's Dr. Lee Pu, professor of plastic surgery, for a **free informational seminar on breast augmentation and mastopexy** (breast lift). Augmentation procedures are designed to enlarge the breast, while mastopexy raises and firms the breast without adding size.

Before Dr. Pu's presentation, we invite you to join us for a **NEOCUTIS skincare event: "The Science of Skincare."** Browse the product line and get answers to your questions from our skincare experts. Don't forget to register to win fabulous door prizes!

Reserve your space today!

This seminar is free to the public, but space is limited. **Please call 916-734-7844 to reserve your seat.** Family and friends are welcome!

RSVP to secure your space: 916-734-7844

Lee Pu, M.D., Ph.D., F.A.C.S.

Tuesday, November 5

4 - 6:30 p.m.
