

***Peter Mackinlay Yellowlees, MD, BSc, MBBS, FRANZCP, MRC Psych, FACHI***

*Professor, Department of Psychiatry and Behavioral Sciences*

*Director Health Informatics Graduate Program*

*University of California, Davis*

*Email: peter.yellowlees@ucdmc.ucdavis.edu*

*Honorary Professor, Centre for Online Health*

*University of Queensland, Australia*

**WORK**

Department of Psychiatry and  
Behavioral Sciences  
University of California, Davis  
2230 Stockton Blvd.  
Sacramento, CA 95817  
(916) 833-1874

Academic Information Systems  
University of California, Davis  
2450 48<sup>th</sup> Street, Ste 2800  
Sacramento, CA 95817  
(916) 734-8581

**EDUCATION**

- 1979 MBBS Royal Free Hospital School of Medicine  
(MD equivalent)
- 1976 BSc University of London  
Honors – upper second class. Psychology Sociology and Biomechanics

**POSTGRADUATE EDUCATION**

- 2006 Educational Commission for Foreign Medical Graduates (ECFMG)  
USMLE Steps 1-3.
- 2002 FACHI Founding Fellow of the Australian College of Health Informatics (10 years of  
informatics expertise are required to obtain this title)
- 1993 MRACMA (ANZ Medical Administration Boards equivalent)
- 1992 Graduate Certificate in Management and Organizational Leadership, University of South  
Australia
- 1990 MD Research Doctorate (PhD equivalent). 'Psychobiological Aspects of Chronic  
Respiratory Disease', Flinders University of South Australia
- 1986 FRANZCP (ANZ psychiatric Boards equivalent). Fellow of the Royal Australian and  
New Zealand College of Psychiatrists
- 1984 MRC Psych (UK Psychiatric Boards equivalent). Member of the Royal College of  
Psychiatrists, United Kingdom

## **SUMMARY OF PROFESSIONAL EXPERIENCE**

- Served as Vice Provost for Information and Educational Technology at the University of California, Davis 2005-6 and successfully drove a process of IT standardization, the implementation of a campus wide open-source Learning Management Platform, the planning for a High Performance Computing Center and a series of collaborative partnerships with Deans and Senior Administrative leaders, and especially with the Health System.
- Undertaken over 2 years as Director of Academic Information Services, at University of California, Davis, where has overseen the development and implementation of a complete online learning platform and curriculum database for the medical course.
- Three years as Chair of the University of California, Davis Health Informatics Graduate Group, responsible for directing the Health Informatics Masters Program, as well as being Instructor of Record for the Telemedicine Course
- Appointed as Deputy Editor, The Medscape Journal of Medicine, 2008
- Five years as Chair of the Department of Psychiatry at the University of Queensland, a large school with 1000 medical students. Responsible for substantially enlarging the department, which was responsible for 15% of the total teaching time and resources in the medical course, and increasing the number of PhD students from 4 to over 30.
- Four years as foundation Director of the Center for Online Health at the University of Queensland, where substantial research projects and collaborations were developed and funding worth several million dollars was attracted.
- Member of University of California Office of the President's Information Technology Guidance Committee, planning the long-term IT needs of the University of California system of ten campuses and three national laboratories state-wide
- Responsible for annual University of California Davis and health service budgets of up to US \$35 million per year, with membership of multiple internal and external committees in Universities and health services over 20 years
- Principal Investigator and chief developer of the Bio-defense response training curriculum under contract with the state of California Department of Health Services.
- Co-Author of the 2005 Strategic Plan to Develop a Statewide e-Health Network in California at the request of Governor Schwarzenegger's Secretary of Business, Housing and Transportation, and invited expert to the Governor's statewide e-Health Forum.
- Faculty for the Center for Health Technology Telemedicine Learning Center at University of California, Davis, and multiple invited presentations throughout the US, including as a keynote to the Congressional Seminar Series on Capitol Hill, Washington and to the National Library of Medicine Informatics Program on Rhode Island.
- Deep understanding of major University of California and International Information Systems and cultural environments, with a demonstrated belief in the importance of standardization and a strong customer focus in planning and consensus building to drive and achieve core strategic university research and educational missions
- Consultant to Kaiser Permanente's e-Care for Moods online Mental Health Program with responsibilities that included developing the Kaiser online psychiatric model of care.
- Extensive expertise in medical curriculum design, case based and problem based teaching, and in the importance of pedagogy driving online and face to face learning programs
- Innovative and consistent faculty instructor on multiple medical school courses in Australia and the USA since 1984, and chair of several international conferences and CME programs

- 16 years of expertise in the re-designing of healthcare delivery using innovative health IT technology systems such as telemedicine, online distance education and e-Health disease management systems.
- Internationally recognized expertise in health informatics and telemedicine, with a reputation as a pragmatic visionary who is effective at leading and implementing sustainable change in large organizations
- Member of Australian National Health Minister’s electronic health record taskforce with implementation in progress nationally with \$200 million for initial funding
- Extensive management experience in a variety of Mental Health Services and university departments including roles as Chief Psychiatrist of the South Australian Mental Health Services, and Director of the Division of Mental Health at the Royal Brisbane Hospital
- Founding partner of Doctor Global, LTD an online specialty medical consulting and personal health record firm providing access to healthcare globally to underserved communities.
- Founded Queensland Telemedicine Network in 1996, now managed by Queensland Health, and UQ Center for Online Health in 1999
- Co-founded and Board Director of HealthShare, LTD.
- Member of CalRHIO Technology Committee, of NIMH eHealth Planning Group and several NIH research review panels
- Chief consultant on health IT to numerous commercial and public health organizations in several countries,
- Internationally recognized authority, author and media commentator on electronic healthcare systems and futuristic health environments, and regular international and national keynote speaker who has written and edited four books and over 100 peer reviewed articles.
- Author of the first worldwide online e-Health certification course focusing initially on Telepsychiatry for Australia in 2003, and generally accepted as being among the premier experts on Telepsychiatry in the world.
- Successful in obtaining awards of over \$7 million in research grants and external funding since 1995
- Member of editorial Boards of The Journal of Telemedicine and Telecare, and also The Telemedicine Journal and e-Health
- Holder of an international patent on Health IT Signal Processing for Medical Diagnosis
- Experienced Clinical Psychiatrist with considerable experience in treating doctors with psychiatric disorders, and in providing expert forensic and workers compensation opinions for court purposes.

### **ACADEMIC POSITIONS AND EMPLOYMENT**

2009	College of reviewers for the Canada Research Chairs (CRC) program.
2008-2009	Deputy Editor, Medscape Journal of Medicine
2007-present	Director, Academic Information Services, School of Medicine, University of California, Davis
2005-2006	Interim Vice Provost, Information and Educational Technology, University of California, Davis
2004-present	Professor, Department of Psychiatry and Behavioral Sciences, University of California, Davis

2004-2006 Director and Chair, Health Informatics Program, University of California, Davis  
Associate Director, Center for Health and Technology, University of California, Davis

1999-2004 Director, University of Queensland Centre for Online Health

1996-2000 Chair, Department of Psychiatry, University of Queensland  
Director, Integrated Mental Health Services, Royal Brisbane Hospital District

1995-2004 Professor, Department of Psychiatry, University of Queensland

1992-1994 Chief Psychiatrist, South Australian Mental Health Services

1989-1992 Senior Visiting Psychiatrist, Broken Hill Base, Wilcannia, and Hospitals Prison Medical Services  
Private Psychiatric Practice, Broken Hill

1986-1989 Attending Psychiatrist, Consultation Liaison Service, Flinders Medical Center, Adelaide

1981-1989 Psychiatry residency. London, UK, and Adelaide Australia

1979-1981 Medical, Surgical and Emergency Medicine residency rotations, London

### **PROFESSIONAL MEMBERSHIPS, SERVICES AND COMMITTEES**

2009 Member, NIH special emphasis review panel, “Dissemination and Implementation Research in Health” ZRG1 HDM-E 50. October 23  
Member, NIH special emphasis review panel for study ZRG1 BCMB-A 51  
Member, American Association for the Advancement of Science review panel for proposals for South Carolina's Centers of Economic Excellence program.  
Member, NIH review panel for ARRA grant applications  
Member, NIH review panel for Transformative Research funding.

2008-2009 Chair, American Telemedicine Association Telepsychiatry guidelines working group

2008 Consultant, University of North Dakota NIH Clinical and Translational Science Awards (CTSA) grant application

2006 Member, Governor Schwarzenegger’s California eHealth Action Forum

2005-present Coordinator, short and long courses in telepsychiatry, American Telemedicine Association  
Member, American Psychiatric Association  
Association Member, NIH review panel for Mental Health Services Research

2004-present Member, American Medical Informatics Association

2004-present Member, American Medical Association

2004-2009 NIMH review panel for Health Services Research

2003 Member, Queensland Government General Medical Assessment Tribunal Board  
Member Disease Management Association

2003 Board Member, Australian Disease Management Association

2002 Member, Advisory Board of the Centre for Pest Information Technology and Transfer

2002 Member, Advanced Computation and Modeling Centre Advisory Board

2002 Founding Member, Australian Health Informatics Association

2002 Member, Information Technology, Research and 'e-health' Group. Australian Health Ministers

2002 Member, Health Expert, European Community Health Sector e-Business Market Project

2002 Member, Australian Health Care Agreement Reference Group

2002-2001 Chair, HealthShare, Brisbane, Australia

2001 Member, Advisory Board Member E-Health International, International e-Health Association, UK

2000-2003 Member, AMA Information Technology Expert Group

1999-present Fellow, Australian College of Health Informatics

1999 Sector Expert for Health and Social Work, EMPIRICA, European Community Information Technology

1999-2000 Member, EHR Taskforce, Commonwealth Department of Health and Aged Care

1999 Member, Telehealth Evaluation in Australia - Expert Group, Commonwealth Department of Health and Aged Care

1998-present Member, American Telemedicine Association

1998-2003 Member, Board of Toowong Private Hospital

1997-2000 Chair, RANZCP Committee of Quality Assurance Committee

1997-1998 Member, Australian National Working Party on Mental Health Outcomes

1996-1997 Chair, AMAQ Group in Psychiatry

1993-present Member of the Royal Australian College of Medical Administrators

1991-2004 Member of the Australian Psychological Society

1991-1992 Member, President of the Medical Staff Council Broken Hill

1989-present Member, Royal College of Psychiatrists of the United Kingdom

1984-present Fellow, Royal Australian and New Zealand College of Psychiatrists

Registered to practice medicine in Queensland and California (License No: A98586)

#### **UNIVERSITY OF CALIFORNIA SYSTEM COMMITTEES AND SOCIETIES**

2009 - 2011 Medical Clinical Sciences representative to the Faculty Executive Committee

2008 Member, search committee for the recruitment of an Assistant/Associate Professor in the Health Science Clinical Professor (HSCP) series, University of California, Davis Department of Psychiatry and Behavioral Sciences

Member, Steering Committee, Proposed Nursing Science & Health-care Leadership Graduate Group, University of California, Davis

Member, Telecommunications Advisory Board, University of California, Davis

Member, Steering Committee for Rural PRIME program, University of California, Davis

Member, Health Systems Administrative Leaders Committee, University of California, Davis

Member, Center for Health Services Research in Primary Care, University of California, Davis.

2007-present Member, Admissions Committee, University of California, Davis School of Medicine

2007-present Member, Rural PRIME Advisory Board

2007-present Member, Information Services Management Group

2007 Member, Brophy Conference Planning Committee

2007 Member, Center for Health Services Research in Primary Care  
2006-2007 Member, University of California Office of the President (UCOP) Long term Planning IT Committee  
2005-present Chair, University of California, Davis Medical Informatics Program  
2005-present Chair, Biomedical Informatics Research and Consulting Group  
2005-present Member, Graduate Council Chairs Committee  
2005-2008 Member, Educational Advisory Board  
2005-2007 Member, Academic Leadership & Planning Committee, University of California, Davis  
2005-2007 Chair, Information & Educational Technology Leadership Committee, University of California, Davis  
2005-2007 Member, Technology Infrastructure Forum, University of California, Davis  
2005-2007 Member, Council of Deans and Vice Chancellors, University of California, Davis  
2005-2007 Member, Facilities & Enterprise Policy Committee, University of California, Davis  
2005-2007 Member, Facilities & Enterprise Coordination Committee, University of California, Davis  
2005-2007 Member, Computational Resource Center Work Group, University of California, Davis  
2005-2007 Member, Internal Audit Services Work Group  
2005-2007 Member, Graduate Group in Computer Science  
2005-2007 Board member, MediaWorks, University of California, Davis (Chair 2004-2007)  
2005-2007 Member, SmartSite Oversight Committee, University of California, Davis  
2005-2006 UCD Building Planning Committee  
2005-2006 Chair, High Performance Computing Committee  
2005-2006 Campus Council for Information Technology  
2005-2006 Member and Host Chair, UC Information Technology Leadership Council  
2005-2006 Member, Educational Policy Committee, Graduate Studies Program  
2005 Member, Search Committee, University of California, Davis, Executive Assistant Dean for Administration  
2004-present Member, Information Services Oversight Committee, University of California, Davis Health Systems  
2004-present Member, Coordinator and Presenter of Informatics Teaching for the K30 Program, University of California, Davis  
2004-2008 Member, Translational Technology Grant Program  
2004-2006 Member, Liaison Committee on Medical Education (LCME)

## **JOURNAL INVOLVEMENT**

### *Editorial Board*

2008-2009 Medscape Journal of Medicine, Deputy Editor.  
2005-present Journal of Telemedicine and e-Health, Member.  
1998 Telemedicine journal, Guest editor.  
1996-present Journal of Telemedicine and Telecare, Associate Editor.

*Reviewer*

2009-present	Acta Neuropsychiatrica
2009-present	Computer Methods and Programs in Biomedicine
2008-present	Journal of Medical Internet Research
2008-present	Cyberpsychology
2007	Addiction Biology
2007-present	Medscape Journal of Medicine
2006-present	BMC Psychiatry
2006-2007	Social Science and Medicine
2005-present	American Journal of Psychiatry
2005-present	Academic Psychiatry
2005-present	Medical Journal of Australia
2005-present	Journal of Telemedicine and e-Health

1996-2007	Australasian Psychiatry
1995-1996	Australian Health Review
1984-2005	Journal of the Royal Australian and New Zealand College of Psychiatrists.

**SELECTED TEACHING AND CURRICULUM DEVELOPMENT ACTIVITIES**

2007	Development of Pandemic Flu Mental Health Curriculum for California Dept Health Services
2006	Development of Disaster Mental Health Curriculum for California Dept Health Services
2005-2008	Instructor of Record UCD MDI 211 Masters Course in Telemedicine
2005-2007	Instructor of Record UCD K30 Informatics curriculum
2005	Re-development of UCD Health Informatics Masters program
2003	Development of UQ e-Health masters online curriculum
2003	Development of Australian Telepsychiatry certification online course
2001	Development of Queensland Health Mental Health Curriculum
1998-2002	Development of University of Queensland PBL Medical Curriculum
1995-2009	Teacher in psychiatry and general medicine on many different areas of the medical courses at Flinders University, The University of Queensland and University of California Davis.
1995-2009	Teacher in informatics in many courses at the University of Queensland and University of California Davis
1992-1995	Instructor of Record Psychiatry Clinical Term, Flinders University SOM

## **HONORS AND AWARDS**

- 2009 “Stangler innovator of the year”. American Association for Technology in Psychiatry  
2009 “Best teacher” University of California, Davis Health Informatics Program.  
2006 President’s Award for the Advancement of Telemedicine for the University of California, Davis Center for Health and Technology by the American Telemedicine Association  
2003 Winner, e-Health Category: “Ex-Ray” Project (UniQuest Pty Limited), Secrets of Australian ICT Innovation Competition  
1999 International Asia Pacific Information Communications Technology Award to the Queensland Telemedicine Network  
1999 Schizophrenia Fellowship of South East Queensland: Annual Award for Research Excellence in Schizophrenia and Related Psychoses  
1997 THEMHS Silver Medal Award to Valley Integrated Mental Health Service  
1996 Two Queensland Health Awards: excellence in research and consumer involvement in mental health services  
1994 Gold Award: Far West Mental Health Services Mental Health Services Conference Inc., Melbourne, Australia  
1992 Silver Award: Far West Mental Health Services Mental Health Services Conference Inc., Sydney, Australia  
1989 Organon Junior Research Award: best research published by a psychiatrist in Australia and New Zealand within five years of specialist registration  
1989 Cuning Award. Royal Free Hospital London. For research in Asthma.  
1988 Charlotte Brown Award. Royal Free Hospital London. For research on alcohol.

## **GRANT AWARDS**

### **ACTIVE GRANTS**

Title: APA Innovative teaching grant (Second life)  
Agency: Office of Graduate and Undergraduate Education (CMSE)  
Amount: \$4,000  
Date(s): 2009  
PI: Martin H. Leamon, M.D.  
Type: Educational

Title: Hospital Bioterrorism Surge Capacity  
Agency: Dept of Health and Human Services, Public Health Services  
Grant No.: 1-HFPEP070013-01-00  
Amount: \$5,000,000  
Date(s): 2007-2009  
PI: Christian Sandrock, M.D., M.P.H. (Principal Investigator)  
Type: Research

Title: Store and Forward Cross Cultural Telepsychiatry  
Agency: Blue Shield  
Amount: \$472,000  
Date(s): 2007- 2009  
PI: Peter Yellowlees, M.D.  
Type: Research

Title: California Laboratory Readiness Project  
Agency: California Department of Health Services  
Amount: \$1,000,000  
Date(s): 2006-2008  
PI: Stuart Turner, D.V.M., M.S. (Principal Investigator 06-07)  
Peter Yellowlees, M.D. (Principal Investigator 08-09)  
Type: Research

### **GRANTS COMPLETED**

Title: Pandemic curriculum and online program  
Agency: California Dept  
Amount: \$91,000  
Date(s): 2006- 2007  
PI: Peter Yellowlees, M.D.  
Type: Research

Title: Bioterrorism Training Curriculum and online program  
Agency: California Dept MHS  
Amount: \$260,000  
Date(s): 2005-2006  
PI: Peter Yellowlees, M.D.  
Type: Research

Title: Mental Health Surge Capacity  
Agency: California Department of Health Services  
Amount: \$300,000  
Date(s): 2005-2006  
PI: Peter Yellowlees, M.D.  
Goal: To assess statewide surge capacity in mental health  
in the event of a bioterrorism attack.  
Type: Research

Title: Virtual Reality for Psychosis  
Agency: Brophy Award. University of California, Davis.  
Amount: \$50,000  
Date(s): 2005-2006  
PI: Donald Hilty, M.D. and Martin H Leamon, M.D.

Type: Research  
Title: Virtual Reality for Bioterrorism  
Agency: California Department of Health Services  
Amount: \$87,000  
Date(s): 2005-2006  
PI: Peter Yellowlees, M.D.  
Type: Research

Title: Autism Telehealth  
Agency: NIH  
Amount: \$170,000  
Date(s): 2005-2006  
PI: Thomas S. Nesbitt, M.D., M.P.H  
Type: Research

Title: e-Mental Health Project  
Agency: CTEC  
Amount: \$250,000  
Date(s): 2004-2005  
PI/Co-PI: Co-Investigator  
Type: Research

Title: Tele-illustration in Robotic Surgery  
Agency: SBIR - NIH  
Amount: \$100,000  
Date(s): 2004-2005  
PI: Mohamed R. Ali, M.D.  
Type: Research

Plus numerous other grants in Australia totaling over \$5million from 1989-2004

### **PATENTS**

Patent with UniQuest support for Ex-Ray, "Method and Apparatus for Assessing Psychiatric or Physical Disorders". The University of Queensland Patent Application No. 2003901081, 2005. (Prof Diederich and Prof Yellowlees.)

### **POSTGRADUATE STUDENT ADVISOR**

			<b>GRADUATION</b>
<b>NAME</b>			<b>YEAR</b>
Dart, Jared	PhD	Using IT to extend health education UQ	2006
Whan, Peter	PhD	A Palliative Care Ontology UQ	2006
Griffiths, Lucille	MSc	Telepsychology program evaluation UQ	2005

Kennedy, Craig	PhD, Telemedicine outcomes UQ	2002
McArthur, Brent	BIT(Honours), UQ	2000
Vandavelde, E	BIT(Honours), UQ	2000
Rallings, Mark	PhD PTSD in policemen	2000
Howgego, Irene	MMedSci, Heavy users of services, UQ	2000
Meldrum, Lenore	MMedSci, PTSD in psychosis UQ	1999
Ferrers, Richard	MTech Management, University of Queensland	1999
Hemming, Mark	MMental Health, Rural Res, University of Wollongong	1995

### **UNDERGRADUATE STUDENT ADVISOR**

1995-2009 Numerous medical and informatics students undertaking short courses for research or clinical projects – details of US students only below 2005-2009:

Ivar, Bernt PhD	supervisor 2007-8
Xie, Yuhan	Resident PGY 4 elective in psychiatry 2007-8
Csik, Janell	Master in Informatics Research Project Supervisor 2007-8
Odor, Alberto	Research Fellow in Informatics 2006-7
Shu, I-Wei	Medical Student informatics elective 2006
Cook, James	Fellow in Informatics 2005
Sanchez, Richard	Resident PGY 4 elective in psychiatry 2005

## **PRESENTATIONS**

### 1986

- Jan Preliminary Report on the Supplementation of Alcoholic Beverages with Thiamine. National Health and Medical Research Council.
- Dec Group Psychotherapy in Anorexia Nervosa. Invited paper, Australian and New Zealand Association of Group Psychotherapists.

### 1987

- Oct Prevention of the Wernicke–Korsakoff Syndrome, Royal Australian and New Zealand Section of Social and Cultural Psychiatry 12th Annual Symposium, Alice Springs.

### 1989

- May Telehealth Care, Rural Psychiatrists Association of Victoria, Melbourne.
- Oct 23 The Future of Health, Association of Psychiatrists in Training, Annual Conference Annual Conference, Brisbane, Australia.

Apr 6-8 Psychological Factors Important in Asthma Mortality. Invited speaker, 2nd National Asthma Epidemiology Workshop, South Australia.

1991

Jun Community Services in Isolated Regions., Paper presented to Nagasaki University Department of Psychiatry. Nagasaki, Japan

Nov Rural mental health services. South Australian Country Health Service Conference.

1993

Apr Telemedicine: a tool for rural health delivery, International Post-Traumatic Stress Conference. Adelaide, Australia.

Oct Rural Mental Health Service Provision, Australian Hospital Association Conference, Hobart.

Oct Domestic Violence, Satellite Conference. Royal Australian College of General Practitioners, Sydney.

1994

Apr Future Quality Mental Health Service Provision: The Challenge for Service Providers, Australian Hospital Association Seminar, Melbourne, Australia.

1995

Apr Workplace practice reform and clinical value for money., Australian Hospital Association Seminar, Management Issues Paper No. 6, pp. 22-25.

Aug Models of Rural and Remote Mental Health Practice and the Use of Interactive Technology. Keynote address, Western Australia Rural Health Conference. Telemedicine Linkup.

1996

Plenary presentation at workshop - A review of telemedicine applications in Australia.

- Jun APHA "For Better or Worse?"-- Outcomes in Mental Health Workshop presentation, Gold Coast.
- Telemedicine in Rural Areas, Western Australian Rural Health Conference, Perth.
- Aug Impact of Major Disorders, Mind Caring Course. Schizophrenia Fellowship of South Queensland, August, Brisbane.
- Sept Towards 2000 -- Use of Information Technology and the Counselling Process: An Interactive Demonstration of Possibilities, Tertiary Counselor's Conference, University of Technology, Sydney.
- Sept Successful Applications in Telemedicine Require Effective Clinical Drivers, Technology in Health Education, LETA (Learning Environment Technology Australia) Conference, Adelaide.
- Oct Telemedicine Workshop, THEMHS Conference, Brisbane.
- Oct Core Competencies in Mental Health, THEMHS Conference, Brisban.
- Oct Mental Health Applications of Teleconferencing., RANZCP NSW Branch Computing Interest Group-- "Videoconferencing -- Clinical Use and Distance Education".
- Nov Applications of Telemedicine in Mental Health, RANZCP and National Institute of Mental Health, "Recent Developments in Psychiatry" Hanoi.
- Dec Modern Management of Schizophrenia Symposium, Newcastle.
- 1997
- Feb Rural Mental Health Research, Mental Health Services Conference, Broken Hill NSW.
- May Mental Health Outcomes Research, ASPR Symposium, Congress of the RANZCP, Sydney, Australia.
- Jun The Professional Development Strategy for Adult Mental Health Services, Child and Youth Mental Health Services in Queensland, 2nd National Mental Health Education and Training Workshop, Canberra, Australia.
- Aug An Update on Psychiatric Treatments That Work, ARAFMI 20<sup>th</sup> Anniversary National Conference, Brisbane, Australia.

- Sept State of Telemedicine Technology, Trials, Projects and Experiences in Australia., The 2nd Annual Telemedicine Congress, Kuala Lumpur, Malaysia.
- Sept Human Factors and the Acceptance of Telemedicine. 2nd Annual Telemedicine Congress, Kuala Lumpur, Malaysia.
- Sept Suicide and depressive illness--pharmacological or non-pharmacological interventions, Princess Alexandra Hospital and Health District Mental Health Service.
- Oct Be kind to your mind, Mental Health Week Seminar "Stress and Suicide", October.
- Oct State of telemedicine technology, trials, projects and experiences, CSC Healthcare Conference, Sydney, Australia.
- Nov Successful shared care approaches--how do they happen? Whose outcomes? (Mental Health), General Practice/Queensland Health Conference, Brisbane, Australia.
- Nov Telehealth--service delivery and clinical education. Better Health through Better Information, Queensland's 2nd Health/ITT Conference and Exhibition, Brisbane, Australia.
- Nov Practical evaluation of telemedicine systems in the real world, Hong Kong Telemed 97 Seminar Hong Kong, China.
- 1998
- Mar How not to develop telemedicine systems, Royal Melbourne Hospital 150th Anniversary Celebrations, Melbourne, Australia.
- Mar Tele-psychiatry network--what are the common pitfalls?, Aus-Telemed Conference, Sydney, Australia.
- Present state and future of Telemedicine technology--trials, projects and experiences in Australia, Health Summit 98, Sydney, Australia.
- May Schizophrenia and suicide., Conference of the Schizophrenia Fellowship of Queensland. Brisbane, Australia.
- Outcome measurement in case management, Mental Health Services Conference. Hobart, Australia.
- May Seminar on Mental Health Education, London (Sainsbury Centre).

Co-chair the Symposium on International Healthcare Funding which involved the use of Telemedicine Technology, Toronto—American Psychiatric Association Annual Congress.

- Jun Lecture to the Department of Psychiatry on Telemedicine. University of Michigan. Michigan, MI
- Jun Seminar on Telemedicine related activities to the Centre for Telemedicine, University of Kansas. Lawrence, KS.
- Jun Presentation on Australian Telemedicine to VTEL senior management and CEO, VTEL Corporation, Texas.
- Jun Lecture on Telemedicine management Telemedicine Information Exchange, Portland, Oregon, De Moines Medical Centre, Ohio, National Lecture delivered interactively via the Internet on Critical Success Factors in Telemedicine.
- Jul Seminar on Telemedicine, Centre for clinical computing. Harvard, Boston, MA
- Nov Presented three workshops, Sainsbury Centre, London, England.
- Nov Workshop on rural mental health. Inverness, Scotland.
- Nov Seminar on Telemedicine, Warrington National Health Trust, Manchester, England.
- Nov Outcomes of psychiatry services using videoconferencing (Brisbane), Telemed 98 Seminar, Hong Kong, China.

#### 1999

- Mar Telemedicine in Queensland, Queensland Solutions, ESD solutions for regional and rural areas.
- Mar Initiatives in Diagnostic Medicine, Aus-Telemed '99, Sydney, Australia.
- Apr Online Health--A Force for Change Mental Health Services Group, Paper to NHS London, England.
- Apr Telemedicine--a healthy industry in Australia, Telemedicine World 1999 Conference and Tradeshow, Galveston, TX.
- Apr Distance Education – Telemedicine in the New Millennium: Delivering the Promise, American Telemedicine Association, Salt Lake City, UT.
- Apr Australian Telemedicine--Invited lecture, University of Texas, April.

- May The doctor-patient relationship online, Royal Australasian College of Paediatricians Annual Congress, Perth, Australia.
- Jun Telemedicine--a collaborative form of healthcare, Hospital-Community Partnership Tool Kit, Seminar, Brisbane, Australia
- Jul 29-30 Health Online--The Future Isn't What It Used To Be! Managing Education for Healthcare Providers in the New Millennium,, Mater Education Centre, Brisbane, Australia.
- Aug 6- 8 Psychiatric Treatment – 2010-2020, Jansen-Cilag Psychiatry Registrar Weekend, Sydney, Australia.
- Aug 29-31 Psychiatric Treatment – 2005-2010. HIC 99, 7th National Health Informatics Conference, Hobart, 29-31 August.
- Sept 2-5 Psychiatric Treatment – 2010-2020, Directions in Psychiatry, Fiji.
- Sept 14 Future Health Care Systems. Tomorrow's Technology Today, Comms 99, Brisbane, Australia.
- Sept 22 Delivering Relevant and Flexible Mental Health Workforce Training, The MHS Conference, Melbourne, Australia.
- Oct 5-6 The Practical Application of IT Enabled Homecare., Commercialising Health Innovations Forum, Melbourne, Australia.
- Oct 8-10 Advances in Schizophrenia., Psychiatry: 23rd Sunshine Coast Postgraduate Weekend, The Royal Australian College of General Practitioners, Queensland Faculty, Noosa, Australia.
- Oct 8-10 The Doctor, the Patient and the internet – Online therapy in psychiatry. Psychiatry: 23rd Sunshine Coast Postgraduate Weekend, the Royal Australian College of General Practitioners, Queensland Faculty, Noosa, Australia.
- Oct 15 Academic Perspective. Flexible Delivery and the Role of the Library, Queensland University Libraries' Office of Cooperation, University of Queensland, Australia.
- Oct 15 CFMHS Seminar presentation, Brisbane, Australia.
- Oct 15 Online Health: Medical Services in the 21st Century, Urological Society of Australasia Annual Scientific Meeting and Annual General Meeting, Gold Coast, Australia.

- Oct 21 Online Health in Early Psychosis Rationale--Resistance and Research, Royal Brisbane Hospital Health Care Symposium. Brisbane, Australia.
- Oct 23 Debate "Has Economic Rationalisation Destroyed the Soul of Community Care?" Blue Nursing Service Third Biennial Conference, Making a Difference Together, Brisbane, Australia.
- Nov 1 Future role of IT in medical education, APEC Technomart III Conference, Gold Coast, Australia.
- Nov 8 Tele-psychiatry. Academic Lecture, The Chinese University of Hong Kong, Department of Psychiatry. Hong Kong, China.
- Nov 11 Visiting lecturer "Therapy through the Internet", University of Sydney, Department of Psychological Medicine.
- Nov A community based approach to evaluation of health outcomes and costs for 'telepsychiatry', Telemed 99, London, England.

2000

- Feb 12 Computers in Psychiatry, Images of Psychiatry, Gold Coast, Australia.
- Feb 18 Internet driven healthcare to the home – a focus for future Australian healthcare, Financial Review 2nd Annual Health Congress, Sydney, Australia.
- Feb 19 Psychiatric Treatment Online: the future isn't what it used to be, 3<sup>rd</sup> National Getting Better Conference, Sydney, Australia.
- Mar 29 The Centre for Online Health--the practical application of future health care systems, E-Health 2000 Conference, Sydney, Australia.
- Apr 3 Internet driven health care to the home--a focus for future Australian healthcare, University of Queensland Library lecture. Brisbane, Australia.
- Apr 27-30 The Practice of Australian Psychiatrists in 2010, The Royal Australian and new Zealand College of Psychiatrists 35th Annual Congress Looking Outward: Culture, Creativity & Psychiatry, Adelaide, Australia.
- Apr 27-30 The future of psychiatry includes the end of public and private practice as we know them in 2000, Annual Congress Looking Outward: Culture, Creativity and Psychiatry, Adelaide, Australia.
- May 2-5 A state-wide second opinion child psychiatry telemedicine service, American Telemedicine Association 9th annual meeting and exposition, Tampa, FL.

- May 12 E-healthcare--Practice Changes for the Future, Griffith University Visiting Lecturer. Queensland, Australia.
- May 22 Telemedicine Enabled Homecare, American Telemedicine Association 2000: Pragmatic Approaches and Emerging Applications, Phoenix, AZ.
- May 23 Lessons we have learned from traditional telepsychiatry, American Telemedicine Association 2000: Pragmatic Approaches & Emerging Applications, Phoenix, AZ.
- Jul 13 Consumer Empowerment through information, University of Technology, Sydney, e-Health: 'Good Business, Best Practice or Big Mistake?' Sydney, Australia.
- Jul 18 Prevention and health promotion--the role of information technology, Lecture, Princess Alexandra Hospital Symposium. Brisbane, Australia.
- Jul 28-30 Depression in COPD, Conference of Respiratory Physicians—Airways 2000, Noosa, Queensland, Australia.
- Aug 2 Mental Health and the Internet, Lecture to Gold Coast Mental Health Association, Gold Coast, Australia.
- Aug 4-6 Online Health and Depression, Keynote speaker at Gold Coast District Health Services Conference Depression 2000 Update, Gold Coast, Australia.
- Aug 5-6 Telemedicine and Call Centres, Medico-Legal Continuing Education Program, TC Beirne School of Law and the Medico-Legal Society of Queensland, Gold Coast, Australia.
- Aug 7-11 Internet Driven Health Care to the Home--A Focus for Future Online Healthcare, Centre for Online Health, University of Queensland, and the Mater Education Centre Conference The Asia Pacific Online Health Network Conference, Brisbane, Australia.
- Aug 24-25 Topic to be forwarded, Royal Australian College of Medical Administration Conference, Brisbane, Australia.
- Sept 1-5 The future role of district hospital and health centers in a networked healthcare system., Malaysian Health Informatics Association and the Ministry of Health Malaysia Telehealth, Kuala Lumpur, Malaysia.
- Oct 2-4 Telepsychiatry in Australia, International Society of Telemedicine Conference, Montreal, Canada.

- Oct 20 The mysteries unravelled for potential authors of technical/educational books, Master Education Centre in conjunction with The Brisbane Writer's Festival, Brisbane, Australia.
- Oct 23-25 Keynote speaker, Mental Health Online, 8th Annual Rural and Remote Mental Health Conference Technology 2000: Advancing Rural and Remote Mental Health Service? Kalgoorlie-Boulder, Western Australia.
- Nov 12-14 Educating for Quality Healthcare International Symposium 2000, Mater Education Centre, Brisbane, Australia.
- Nov 22-24 Community Care Online, Blue Care 10th National Congress. The Global Challenges of the 21st Century. Brisbane, Australia.

## 2001

- Mar 7-9 Advanced Applications in Health Science. Spring 2001 Internet2, Washington, DC.
- Mar 26-28 Measuring the effectiveness of E-Health through evaluation, E-Health Reducing costs and improving health care delivery through e-health initiatives. Sydney, Australia.
- Mar 30 Telemedicine Downunder, Health Association of British Columbia via videoconference--Brisbane/Vancouver.
- Apr 5-6 Clinical communication and electronic health records (EHRs--Harmonisation: Our health language, information systems and e-health, Australian Computer Society, Brisbane, Australia.
- Apr 23-27 The Distributed Healthcare Customer--The Patient of the Future in a Global Healthcare System, National Conference on Telemedicine, Lucknow, India.
- Apr 23-27 Consumers, Customers, Clients, Patients and the Web--An Analysis of Change and Power, National Conference on Telemedicine, Lucknow, India.
- Apr 23-27 Intelligent Health Systems and Telemedicine in Australia, National Conference on Telemedicine, Lucknow, India.
- May 21-24 Clinical care on the Internet, The Royal Australian and New Zealand College of Psychiatrists 36th Congress, Canberra, Australia.
- May 21-24 The virtual doctor/patient relationship, The Royal Australian and New Zealand College of Psychiatrists 36th Congress, Canberra, Australia.

- Jun 3-6 Fitting the technology to the patient. Expanding the Practice of Medicine through Telecommunications Technology. American Telemedicine Association Annual Meeting. Fort Lauderdale, FL.
- Jun 3-6 Homecare Research, Expanding the Practice of Medicine through Telecommunications Technology: American Telemedicine Association Annual Meeting. Fort Lauderdale, FL..
- Jun 3-6 E-publishing in a global environment. Expanding the Practice of Medicine through Telecommunications Technology: American Telemedicine Association Annual Meeting, Fort Lauderdale, FL.
- Jun 3-6 Australian Telemedicine Research, Expanding the Practice of Medicine through Telecommunications Technology: American Telemedicine Association Annual Meeting. Fort Lauderdale, FL.
- Jun 21-22 An analysis of why telehealth systems in Australia have not always succeeded, Successes and Failures in Telehealth: International Conference, Royal Children's Hospital, Brisbane, Australia
- Jul 29-31 Consumers, Customers, Clients, Patients and the Web--An Analysis of Change and Power, Realizing Quality Health Care: HIC 2001 Health Informatics Conference, Canberra, Australia.
- Sept 15-16 Improving health care in developing countries through telehealth, Western Pacific Conference in Telehealth. The Ministry of Health, Negara Brunei Darussalam.
- Oct 3-7 Telemedicine, e-Health and Global Health Service Delivery in the Third Millennium. The World Medical Association Business Briefing Next-Generation Healthcare., 53rd World Medical Association General Assembly. New Delhi, India.
- Oct E-healthcare that makes the change, CINP Symposium, Hiroshima, Japan.
- Oct 28 The future--a global healthcare system: Australian perspectives on how the flying doctor went virtual, Parallel Commonwealth Health Symposium and Trade Fair 2001, 13th Commonwealth Health Ministers Meeting, Christchurch, New Zealand.
- Oct 29 How the Australian Flying Doctor Went Virtual, The Future is e-Health Conference, United Kingdom.
- 2002
- Jan 29 Integrating telehealth into the healthcare system--learning from the Australian experience, TeleMed 2002, 9th International Conference on Telemedicine and Telecare, The Royal Society of Medicine, London, England.

- Mar 25 The delivery of a full range of health services via the internet--options and opportunities, Symposium: The Internet for Counselling, Psychotherapy and other Mental Health Services, Brisbane, Australia.
- Mar 25 The delivery of a full range of health services via the internet--options and opportunities, Internet Therapy Symposium. Department of Psychiatry, University of Queensland. Brisbane, Australia.
- Apr 16-19 Technology--Tomorrow, 2002 State Conference and Trade Exhibition of Aged Care Queensland, Brisbane Convention and Exhibition Centre, Brisbane, Australia.
- Apr 16-19 Integrating telehealth into the healthcare system--learning from the Australian experience, State Conference and Trade Exhibition of Aged Care Queensland, Brisbane Convention and Exhibition Centre. Brisbane, Australia.
- Apr 30 The Virtual Psychosis Project, RANZCP Conference, Brisbane, Australia.
- Apr 29 Research in Telehomecare in Australia, Keynote address to Hospital in the Home 2nd Annual Event, Parkroyal Darling Harbour, Sydney, Australia.
- May 1
- May 24-26 Future Concepts in Aged Care, National Conference AMA, Canberra, Australia.
- Jun 2-5 Global Healthcare Systems, Complete Telemedicine Solutions and the Private Health Network, American Telemedicine Association. 7<sup>th</sup> Annual Meeting and Exposition, Los Angeles, CA.
- Jun 2-5 Virtual Reality in Healthcare, American Telemedicine Association. 7<sup>th</sup> Annual Meeting and Exposition, Los Angeles, CA.
- Jun 2-5 Telemedicine in a multinational setting, Global Healthcare Systems, American Telemedicine Association, 7th Annual Meeting and Exposition, Los Angeles, CA.
- Jul 26-28 Healthcare delivery on the internet--the future, AMAQ International Health Expo, Brisbane Convention Centre. Brisbane, Australia.
- Aug 1-2 Government relations, government regulations, jumping through hoops. 2nd International Conference on Successes and Failures in Telehealth, Brisbane, Australia.
- Aug Future Healthcare Systems, AMA National Conference, Canberra, Australia.
- Sept 13 eHealth--future changes and opportunities for better care, Mater Mothers New Life Centre, Brisbane, Australia.

Nov 7-8 e-Health and the Ageing, Department of Foreign Affairs and Trade, Second Australian-Japan Conference (AJCII), Tokyo, Japan.

## 2003

Mar 3-4 Integrated health service delivery in a broadband environment, National Health Information Management Advisory Council--2nd National Health Online Summit. Brisbane, Australia.

Mar 4 International examples of adapting services to rural areas, Presented by Videoconference to A Breath of Fresh Air: Implementing Mental Health Services in Rural Areas Conference. The Sainsbury Centre for Mental Health, Robinson College, Cambridge, Australia.

Mar 5 Informed Consumers and Carers, Crucial for the Future of Mental Health, resented at The Power of Partnerships, Recovery: The Eternal Flame, CAG Conference, Brisbane, Australia.

Apr 11 Futuristic e-Health Systems & Programs, Presentation for Toowong Private Hospital Educational Program. Brisbane, Australia.

Apr 27-30 The Struggle for Private Sector Payments for Telepsychiatry in Australia. Presented at American Telemedicine Association 8th Annual Meeting and Exposition, Healthcare Solutions Through Telemedicine. 2003 American Telemedicine Association annual meeting. Orlando, FL.

Apr 27-30 The Use of Information Technologies to Assist in Psychiatric Diagnosis, Presented at American Telemedicine Association 8th Annual Meeting and Exposition, Healthcare Solutions Through Telemedicine. American Telemedicine Association 2003, Orlando, FL.

Apr 27-30 Distributed eHealth on the Internet., Presented at American Telemedicine Association 8th Annual Meeting and Exposition, Healthcare solutions through telemedicine. American Telemedicine Association 2003. Orlando FL.

May 12 Telepsychiatry--Practice and Trainings, Abstract and Workshop presented at The Royal Australian and New Zealand College of Psychiatrists, mutual interests, 38th Congress Hobart, Australia.

May 12 Telepsychiatry--2003 onwards, Presentation at The Royal Australian and New Zealand College of Psychiatrists 38th Congress mutual interests. Hobart, Australia.

Jun 2-4 The Development of a Virtual Reality Environment to Model the Experience of Schizophrenia, Presented at International Conference on Computational Science, Melbourne, Australia.

- Jun 5-6 Telepsychiatry for Legal Purposes, Presented at National Meeting of Mental Health Tribunal, Sydney, Australia.
- Jun 5-6 Hockey A., Yellowlees P. An e-Mental Health Strategy for Queensland Health, Presented at the Partnerships for Recovery. Queensland Mental Health Services Showcase Conference.
- Jun 8 Impacts of IT on Rural Practice, Presented at "Priming the Pump—Breaking the Drought in Rural Health Care", Rural Doctors Association of Queensland 2003 Annual Conference, Emerald, Queensland, Australia.
- Jun 8 Future Directions for General Practice in the Bush, Keynote address to "Priming the Pump--Breaking the Drought in Rural Health Care", Rural Doctors Association of Queensland 2003 Annual Conference, Emerald, Queensland, Australia.
- Jun 23-25 e-Health 2020--Taking a futuristic look at electronic clinical delivery of health services, Presentation at IIR's 5th Annual EHR. Sydney, Australia.
- Jul 8 Effective Medical Management of Psychiatric/Psychological Claims, Presented at QComp, Brisbane, Australia.
- Jul 10 e-Health 2020 and onwards, Presentation at Australian Medical Students Association's (AMSA) "Some Like it Hot--Acknowledging Australian Achievements" Convention, Brisbane, Australia.
- Jul 27 Global Response Networks, Invited Keynote Speaker, Queensland Government Trade and Investment Office, Hong Kong and South China, IT in Health Forum, "Better Information, Better Communication, Link to Excellent Health Care", Hong Kong, China.
- Aug 25 Telehealth Responses to Bio-Terrorism and Emerging Infections. Presented at 3rd International Successes and Failures Conference. Brisbane, Australia.
- Sept 15-17 An overview of the e-Health and telemedicine activities in Australia--the future is nearly here, Invited keynote speaker, 8th International Conference on the Medical Aspects of Telemedicine, 1st Tromso Telemedicine Conference, TTC 2003. Tromso, Norway.
- Sept 15-17 Telepsychiatry Workshop, 8th International Conference on the Medical Aspects of Telemedicine, 1st Tromso Telemedicine Conference, TTC 2003. Tromso, Norway.
- Oct 5-7 The virtual Psychiatrist is just around the corner--clinical educational practice of e-mental health in the 21st century, Invited keynote speaker, RANZCP NZ Branch Conference Communities with Challenges, Hamilton, New Zealand.

- Oct 10 Virtual Psychosis Project, Invited speaker at OT Mental Health Conference, Sheraton, Brisbane, Australia.
- Oct 16 Internet2 Collaborative Global Education Program--"DIVE: International-Distributed Interactive Virtual Environments", Presentation via Internet2, Indianapolis, IN.
- Oct 17 eHealth strategies in Australia--towards 2020, Invited videoconference presentation to International eHealth Association: eHealth 2003 Conference, London Olympia.
- Oct 27 Internet Addiction--implications for the workplace and challenges in treatment, Invited speaker, Employee Assistance Professionals Association of Australia (Inc) 12th Annual EAPAA Conference--"Organizational Health in Less Certain Times", Melbourne, Australia.
- Oct 31 Health is an information industry--what information technologies will we use in the future to create better health outcomes? Presentation at Mater Breakfast Forum, Brisbane, Australia.
- Nov 20-21 The extraction of diagnostic categories from psychiatric reports, Presentation by Prof Joachim Diederich at Neuro-Computing and Evolving Intelligence 2003 Conference (NC. EI'2003), Auckland, New Zealand.
- Nov 20-21 Machine learning for the Assessment of Mental Health, Presentation by Prof Joachim Diederich at Neuro-Computing and Evolving Intelligence 2003 Conference (NCEI'2003), Auckland, New Zealand.
- Dec 15 Ex-Ray: Text classification and the assessment of mental health, Presentation by Aqeel Al-Ajmi at 8<sup>th</sup> Australasian Document Computing Symposium (ADCS2003) hosted by CSIRO Mathematical Information Sciences, Canberra, Australia.
- Dec 15 Diederich J, Yellowlees P, Al-Ajmi A. Ex-Ray: The extraction of diagnostic categories from psychiatric reports', in Proceedings of the Conference on Neuro-Computing and Evolving Intelligence, Knowledge Engineering and Discovery Research Institute KEDRI, Auckland University of Technology. New Zealand.
- 2004
- Mar 5 Informed Consumers and Careers, Crucial for the Future of Mental Health. The Power of Partnerships, Recovery: The Eternal Flame, CAG Conference, Brisbane, Australia.
- May 2-5 e-Health solutions for emerging infections and bio-terrorism., American Telemedicine Associations 9<sup>th</sup> annual meeting and exposition, Tampa, FL.

- May Advances in eHealth with a focus on the North American Experience and lessons for Australia., Euchuca Victoria, Australia, Teleconference.
- May Telemedicine Evaluation: Methodology and Findings, Second International Symposium: Future Directions for Telemedicine, Ann Arbor, MI.
- May Integrating rural health systems using technology as a tool. National Rural Health Association, Annual Meeting, San Diego, CA.
- Sept eHealth improving care around the globe: Telemedicine delivering new models of care., Clinical Information Systems and Electronic Records and eHealth 2004, London, England.
- Sept Australian Reflections on NPfIT, National Program for Information Technology in the NHS (NPfIT) London, England.
- Oct The evidence is in: we know it works, let's get on with it. Clinical Information Systems and Electronic Records and eHealth 2004, London, England.
- Oct Health Informatics and the Changing Workforce, Convergence III - The Revolution in Healthcare Careers: New Technologies and New Employees, Los Rios Community College District Business and Economic Development Center. Sacramento, CA
- Oct Virtual psychiatry: The future isn't what it used to be. Department of Psychiatry and Behavioral Sciences Grand Round, University of California, Davis Medical Center. Sacramento, CA
- Dec Telemedicine, Research Centers in Minority Institutions (RCMI) program meeting, Baltimore, MD.
- Dec Traversing rural roads through e-Health, California State Rural Health Association's 4th Annual Rural Health Conference - Meeting Rural Needs: Putting People First, Sacramento, CA.

## 2005

- Mar What standards should we develop for collection of data about Telemedicine encounters to better facilitate research?, AHRQ-CMSOHSU Telemedicine Workshop, Portland, OR.
- Apr 17-20 Telemedicine Research - A Practical and Methodological Guide, American Telemedicine Association 2005 Annual Meeting: Celebrating a Decade of Healthcare Innovation, Denver, CO.

- Apr 21-24 Virtual Medicine - 2005 onwards, 23rd Statewide Black Health Conference "Bridges to Wellness", Sheraton Grand Hotel. Sacramento, CA.
- Sept Educational Technologies of the Future, Association for Academic Psychiatry Annual Meeting. Theme: Maximizing Our Academic Capital: New inroads from the fields of Business, Social Anthropology, and Technology. Chicago, IL.
- Sept Educational Technologies of the Present and Future: Demonstration. Association for Academic Psychiatry Annual Meeting. Theme: Maximizing Our Academic Capital: New inroads from the fields of Business, Social Anthropology, and Technology. Chicago, IL.
- Oct The Mental Health Safety Net, From Research to Policy: Transforming California's Emergency Healthcare System. University of California, Davis Center for Health Services Research Sacramento Convention Center. Sacramento, CA.
- Oct Telemedicine. Marine Biological Laboratory, BioMedical Informatics Conference Fall Session. Massachusetts.
- Dec The Academic Medical Center and Physicians: Connectivity and RHIO's. Northern California Chapter of HIMSS, RHIO, San Francisco, CA.
- Dec Transforming mental health services in rural California through technological innovation. California Telemedicine and eHealth Center., Sacramento, CA.
- Dec Universities of the Future. Center for Digital Education's Executive Teleconference, Sacramento, CA.

## 2006

- Mar e-Health and the Future. The Does IT Work? Next Generation Care in the Information Age conference. Invited Keynote Speaker. Washington, DC.
- Apr Telemental Health. Center for Telehealth & E-Health Law, Washington Live! Brown Bag Series Telecast, Sacramento, CA & Washington DC.
- May Decoding Telemental Health: What You Need to Know About Telemental Health from Concept to Implementation. American Telemedicine Association annual conference. San Diego, CA.
- May Telemedicine 101: An Introduction to Telemedicine and Telehealth - 7 years for Clinical Consultations. American Telemedicine Association annual conference. San Diego, CA.

- May Regional Health Information Organizations (RHIO's) and Telemedicine- Lessons to be learned. American Telemedicine Association annual conference. San Diego, CA.
- May Distribution of the Strategic National Stockpile - A Virtual Reality Training Program. American Telemedicine Association annual conference. San Diego, CA.
- May The eMental Health Project at University of California, Davis - A Consultation Liaison Primary Care Program with Excellent Clinical Outcomes. American Telemedicine Association annual conference. San Diego, CA.
- Aug Future View of Telemedicine and eHealth, Eastern Montana Telemedicine Network. 2006 Site Facilitator Retreat. Billings, MT.
- Oct Telemedicine and future IT directions in HealthCare. Octane Conference. UC Irvine, Orange County, CA.
- Nov California Medical Device Forum, Device and Data Convergences. Irvine, CA.
- 2007
- Feb 7 The UC Guidance Committee and implications for UCDHS. Health Informatics Symposium. University of California, Davis. Sacramento, CA.
- Feb "Virtual Reality workshop on the Internet". Health Informatics Symposium. University of California, Davis. Sacramento, CA.
- Mar 15 "Data Management Acquisition and Storage" RCR Series. University of California, Davis. Sacramento, CA.
- Mar 21 "Innovations in eMental Health" Prop 63 Oversight Committee. San Francisco, CA
- Apr "Cyberinfrastructure for Medical Research." University of California, Davis Cyberinfrastructure Forum. UCD Genome Center. Sacramento, CA
- Apr Schizophrenia-you asked for it, series. Sacramento, CA.
- May Clinical issues in telemental health. Presented at the American Telemedicine Association annual conference. Nashville, TN.
- May Etiquette and clinical principles for video consultations. Presented at the American Telemedicine Association annual conference. Nashville, TN.
- May Cross cultural store and forward telepsychiatry – a pilot project. Presented at the American Telemedicine Association annual conference. Nashville, TN.

- Oct “Telepsychiatry in California”. University of California San Francisco. San Francisco, CA.
- Oct “Store and forward telepsychiatry”. California Central Valley. Visalia, CA.
- Oct Anxiety disorders in general practice. Tulare health service. Visalia, CA.
- Oct Broadband informatics. Federal Communications Commission presentation. Washington, DC.
- Nov Futuristic healthcare. University of Texas medical branch telemedicine conference. Galveston, TX.
- Nov 2 The digital human and personalized medicine. Presented at External Research Advisory Board, Davis Campus. Davis, CA.
- 2008
- Feb Store and forward psychiatry. Presentation to Mexican Minister of Health. University of California, Davis. Sacramento, CA.
- Mar Personalized virtual psychiatry. Grand Rounds Series. Colorado.
- Mar “Qualifications and experience of informatics faculty”. Health Informatics Continuing Medical Education symposium. Sacramento, CA.
- Mar “Virtual reality educational environment in Second life workshop”. Health Informatics Continuing Medical Education symposium. Sacramento, CA.
- Apr 6-8 “Store and forward telepsychiatry” and “Enhancing mental health services to children with autism in rural communities: guidelines for using telehealth to extend autism outreach”. American Telemedicine Association annual conference. Seattle, WA.
- Apr 6-8 Special populations in telemental health – patients who prefer this approach. A short course taught at the American Telemedicine Association annual conference, Seattle, WA.
- Apr 24 “Curriculum on disaster response” and “Basic assessment and triage skills.” Roy T. Brophy Conference. Sacramento, CA.
- Jul “Web-based virtual reality: second life in the classroom.” 12th Annual meeting of the International Association of Medical Science Educators. Salt Lake City, UT.

- Nov 14 “Beyond conventional anti-psychotics.: Presentation to the Oaxaca Mexican minister of health, University of California, Davis. Sacramento, CA
- Dec 3 “Telemedicine: online learning.” Presented to the Graduate Council at the University of California, Davis. Davis, CA.
- Dec 3 “Disaster Response.” Lecturer to the Department of Psychiatry postdoctoral medical students at the PSM Seminar.
- Dec 12 Telepsychiatry. Presented for University of California, San Diego at the Southern California Telemedicine Learning Center (Project T-LINC). San Diego, CA.

## 2009

- Jan 21 Guest lecturer: "Internet-based case crossover studies: challenges and opportunities in the online gout study". Clinical and Translational Science Center, University of California, Davis. Sacramento, CA.
- Mar 7 Virtual worlds and health environments in second life. 3rd Annual Health Informatics conference. University of California, Davis. Sacramento, CA.
- Apr 9 Is the Internet becoming a "third person" in today's doctor-patient relationship? Center for Health and Policy Research Seminar. University of California, Davis. Sacramento, CA.
- Apr 23 Forum presentations: “Your child’s health in the information age – How you and your doctor can use the internet to work together” and “What do autism telehealth best practices mean for doctors and patients?”. Boise State University. Boise, ID.
- Apr 26 Course presentations: “Standards and guidelines: Summary and rationale” and “Store and forward technology in telepsychiatry – The first 100 cases”. ”. American Telemedicine Association 14<sup>th</sup> Annual conference. Las Vegas, NV.
- May 3-4 Workshop: “Health Care on the Internet”. Keynote speaker: “Is the Internet becoming a 'third person' in today’s doctor - patient relationship?” First e-Health Conference in the United Arab Emirates. Sharjah, United Arab Emirates.
- May 16 “Virtual Worlds and the Internet as the 'third person' in the doctor - patient relationship". American Association for Technology in Psychiatry Annual Meeting. San Francisco, CA.
- May 18 “Technology and psychiatry: practical and clinical tips for using telepsychiatry.” Invited speaker. American Psychiatry Association 162<sup>nd</sup> Annual meeting. San Francisco, CA.

- Jun 30 "Virtual medicine - How the doctor-patient relationship is changing." Invited speaker. Northern California HIMSS Chapter - 5th Annual Emerging Tech Event. San Leandro, CA.
- July 27 "A review of telemedicine and health informatics at UC Davis - and the relevance of the programs to China." Invited speaker. Inaugural U.S. Higher Education Management Course for the senior administrators of Jiangnan University in China. Center for International Programs at the University of California, Davis. Davis, CA.
