

## Apeet Hundal, M.D.

<b>Philosophy of Care</b>	As an internal medicine physician my goal is to see smiling, stress free patients in my care. This I believe can be achieved by providing my patients with information and good care specific to their needs, encourage exercise and healthy eating habits, emphasize a preventive approach and in the process develop a long-term doctor patient relationship.
<b>Clinical Interests</b>	Hundal's clinical interests are women's health and chronic diseases.
