

Wetona Suzanne Eidson-Ton, M.D.

Clinical Interests	Dr. Eidson-Ton's clinical interests include women's health, obstetrics, infant, child and adolescent care. As a family physician, her philosophy is patient and family-centered, including for maternity care, in which pregnant women are cared for in the context of their family, and this care is continued through labor, birth, and with the care of their newborn family member. Due to her extended training in women's health and obstetrics, her practice includes c-sections, when needed, and reproductive health procedures. Dr. Eidson-Ton also welcomes LGBT patients to her practice and does her best to foster a safe and caring environment for all patients
