

## Garth Harrison Utter, M.D., M.Sc.

<b>Clinical Interests</b>	Dr. Utter has clinical expertise in the fields of trauma surgery, emergency general surgery, and critical care. He has active research interests in the optimal circumstances for chest tube removal, the effectiveness of counseling techniques in reducing problematic drinking behavior, the survival of donor blood cells following transfusion (called "micro chimerism"), the influence of blood transfusion on outcomes from traumatic brain injury, and indicators of the quality of health care. He has participated in extramurally funded projects on the topics of alcohol-related counseling (Robert Wood Johnson Foundation), microchimerism (National Institutes of Health), and quality of care indicators (Agency for Healthcare Research and Quality).
<b>Title</b>	Associate Professor of Surgery
<b>Specialty</b>	<a href="#">Surgery - Trauma, Emergency and Critical Care</a>
<b>Department</b>	Surgery
<b>Division</b>	Division of Trauma, Acute Care Surgery and Surgical Critical Care
<b>Center/Program Affiliation</b>	Trauma Program
<b>Address/Phone</b>	UC Davis Medical Center, 2315 Stockton Blvd. Sacramento, CA 95817 <b>Phone:</b> 800-2-UCDAVIS (800-282-3284)
<b>Additional Phone</b>	Clinic Phone: 916-734-8298 Physician Referrals: 800-4-UCDAVIS (800-482-3284)
<b>Education</b>	M.D., UC San Francisco School of Medicine, San Francisco, California, 1997 A.B., UC Berkeley, Berkeley, California, 1992
<b>Internships</b>	UC Davis Medical Center, Sacramento, California, 1998
<b>Residency</b>	UC Davis Medical Center, Sacramento, California, 2003
<b>Fellowships</b>	Harborview Medical Center, University of Washington, Seattle, Washington, 2005
<b>Board Certifications</b>	American Board of Surgery, 2004 American Board of Surgery, Surgical Critical Care, 2005
<b>Professional Memberships</b>	American Association for the Surgery of Trauma American Society of Hematology
