James F. Holmes, Jr., M.D.

Clinical Interests James F. Holmes Jr. has presented grand rounds in trauma and pregnancy, pediatric abdominal trauma and spinal trauma. He has studied various approaches to improving both cost effectiveness and quality of care in the emergency department, including clarifying the indications for computer tomography of head injuries, and prospectively evaluating the role of laboratory tests in detecting unsuspected intra-abdominal injury in pediatric blunt-trauma patients.

Title Professor

Specialty Emergency Medicine

Department Pediatrics

Division Emergency Medicine
Pediatric Emergency Medicine

Center/Program Affiliation UC Davis Children's Hospital

Address/Phone UC Davis Children's Hospital, 2315 Stockton Blvd. Sacramento, CA 95617
Phone: 800-282-3284

Additional Phone Physician Referrals: 800-4-UCDAVIS (800-482-3284)

Education M.D., University of Alabama School of Medicine, Birmingham, Alabama, 1994
