

Nicholas J. Kenyon, M.D.

Clinical Interests	Dr. Kenyon's clinical interests focus on asthma, non-invasive markers of airway disease, chronic obstructive pulmonary disease (COPD) and sepsis. His research interests include airway inflammation and fibrosis, lung physiology, environmental effects on lung function, the role of nitric oxide in airway diseases, asthma, COPD and lung injury.
Title	Associate Professor Associate Program Director of the Pulmonary and Critical Care Fellowship Program Co-Director, UC Davis Asthma Network (UCAN)
Specialty	Internal Medicine, Pulmonary and Critical Care
Department	Internal Medicine
Division	Pulmonary and Critical Care Medicine
Address/Phone	UC Davis Medical Group - Sacramento (J Street), Internal Medicine Specialty Clinics, 2825 J St. Suite 400 Sacramento, CA 95816 Phone: 916-734-2737
Additional Phone	Physician Referrals: 800-4-UCDAVIS (800-482-3284)
Education	M.D., University of Vermont College of Medicine, Burlington, Vermont, 1994 B.A., Amherst College, Amherst, Massachusetts, 1988 M.S., UC Davis, Davis, California, 2005
Residency	Chief Resident, University of Wisconsin Hospitals and Clinics, Madison, Wisconsin, 1997-1998 University of Wisconsin Hospitals and Clinics, Madison, Wisconsin, 1994-1997
Fellowships	UC Davis Medical Center, Sacramento, California, 1998-2001
Board Certifications	American Board of Internal Medicine, 2007 American Board of Internal Medicine, Critical Care Medicine, 2002 American Board of Internal Medicine, Pulmonary Medicine, 2001
Professional Memberships	American College of Chest Physicians American College of Physicians American Physiological Society American Thoracic Society California College of Chest Physicians

Nicholas J. Kenyon, M.D.

Society of Critical Care Medicine

Honors and Awards

Outstanding Faculty Teacher Award, Department of Internal Medicine, 2005
American Association of Bronchology Award, Outstanding Abstract, American College of Chest Physicians Conference, 2000
American College of Chest Physicians, Best Case Presentation - Bronchoscopy, 2000
University of Wisconsin, Henry M. Castello M.D. Memorial Award to "Outstanding First-Year Resident", 1995
Parkinson's Disease Foundation Summer Fellowship, Columbia University, 1991
