

C. Tissa Kappagoda, M.D., Ph.D.

Clinical Interests	C. Tissa Kappagoda specializes in regression of atherosclerosis and methods for restoring endothelium-derived relaxing factor. He is interested in treatment of coronary atherosclerosis, obesity and type 2 diabetes by lifestyle modifications such as exercise training, low-fat diet and stress management. His research focuses on heart failure, endothelial findings and clinical trials of nutritional supplements.
Title	Director of Cardiac Rehabilitation Program Director of the Coronary Heart Disease Reversal Program Professor
Specialty	Cardiology , Cardiovascular Medicine , Internal Medicine
Department	Internal Medicine
Division	Cardiovascular Medicine
Center/Program Affiliation	Cardiovascular Services
Address/Phone	Lawrence J. Ellison Ambulatory Care Center, Cardiology Clinic, 4860 Y St. Suite 0200 Sacramento, CA 95817 Phone: 800-282-3284
Additional Phone	Physician Referrals: 916-734-5678
Education	M.D., University of Ceylon, Ceylon, 1965
Fellowships	Royal College of Physicians, London, 1983-88
Professional Memberships	American Academy of Otolaryngology-Head and Neck Surgery American College of Cardiology Fellow of the American Heart Association Fellow of the Royal College of Physicians of Canada Fellow of the Royal College of Physicians of Edinburgh Fellow of the Royal College of Physicians of London
Select Recent Publications	Edirisinghe I, Banaszewski K, Cappozzo J, Sandhya K, Ellis CL, Tadapaneni R, Kappagoda CT, Burton-Freeman BM. Strawberry anthocyanin and its association with postprandial inflammation and insulin. Br J Nutr. 2011;1-10.
