

William R. Lewis, M.D.

Clinical Interests	William R. Lewis' study of immediate exercise treadmill testing of chest pain patients in the emergency room has shown the safety and efficacy of this care pathway. He continues to be interested in appropriateness and accuracy of stress testing in selected populations.
Research/Academic Interests	Dr. Lewis is interested in immediate exercise testing for chest pain patients and the utility of noninvasive testing in subgroups (ie left bundle branch block).
Title	Health Sciences Clinical Professor, Division of Cardiovascular Medicine
Specialty	Cardiology , Cardiovascular Medicine , Internal Medicine
Department	Internal Medicine
Division	Cardiovascular Medicine
Clinic	UC Davis Heart Center
Center/Program Affiliation	Cardiovascular Services
Address/Phone	Lawrence J. Ellison Ambulatory Care Center, Cardiology Clinic, 4860 Y St. Suite 0200 Sacramento, CA 95817 Phone: 800-282-3284
Additional Phone	Physician Referrals: 800-4-UCDAVIS (800-482-3284)
Education	M.D., Duke University School of Medicine, Durham NC 1985 B.S., UC Davis, Davis CA 1978
Internships	Internal Medicine, UC Davis Medical Center, Sacramento CA 1986-1987
Residency	Internal Medicine, UC Davis Medical Center, Sacramento CA 1987-1989
Fellowships	Cardiovascular Medicine, UC Davis Medical Center, Sacramento CA 1989-1993
Board Certifications	American Board of Internal Medicine, 1989 American Board of Internal Medicine, Cardiovascular Medicine, 2011
Professional Memberships	American College of Cardiology California Chapter of the American College of Cardiology
