

Huey C. Lin, M.D.

Clinical Interests	Dr. Lin provides comprehensive care for the whole family, with a particular emphasis on care of the elderly. His philosophy is to provide complete, compassionate and collaborative care to all of his patients. With geriatric care, he focuses on improving function and preserving independence. His professional interests include teaching and training of medical students and residents in geriatric care, delivery of health care in long-term care facilities, and fall and injury prevention in the elderly.
