

Michael Campbell, M.D.

Philosophy of Care My philosophy of care is to treat every patient how I would want my own family treated. I believe that each patient deserves to be taken care of with compassion, respect, and a commitment to deliver the best care possible. I am dedicated to providing a multidisciplinary approach for my patients bringing together the vast resources of the UC Davis Health System to formulate a shared, patient-centered plan. There is no “simple” operation when you are the patient.

Clinical Interests Dr. Campbell is a fellowship-trained endocrine surgeon who specializes in the surgical treatment of patients with thyroid, parathyroid, adrenal and pancreatic disorders. He is an expert in minimally invasive parathyroid and thyroid surgery as well as complex laparoscopic adrenal surgery. He offers a wide range of unique services including transabdominal laparoscopic adrenalectomy; minimally invasive and reoperative thyroid and parathyroid surgery; lymph node dissection using blue dye localization; and ethanol ablation of recurrent thyroid cancer.

Research/Academic Interests Dr. Campbell’s research interests include improving multidisciplinary care for endocrine patients; patient outcomes following thyroid surgery; recurrent and persistent hyperparathyroidism; and familial endocrine disorders (such as multiple endocrine neoplasia).

Title Assistant Professor

Specialty [Surgery - General](#), Endocrinology, Diabetes, and Metabolism, Surgery - Endocrine

Division General Surgery

Center/Program Affiliation [UC Davis Comprehensive Cancer Center](#)

Address/Phone UC Davis Medical Center - Cypress Building, 2221 Stockton Blvd. Sacramento, CA 95817

Phone: 800-2-UCDAVIS (800-282-3284)

UC Davis Medical Group - Elk Grove, 9390 Bighorn Blvd. Elk Grove, CA 95758

Phone: 916-683-3955

Additional Phone Physician Referrals: 800-362-5566

Physician Referrals: 800-4-UCDAVIS (800-482-3284)

Education M.D., UC Davis School of Medicine, Sacramento, California, 2007

B.S., Environmental Toxicology, UC Davis, Davis, California, 1997

Residency General Surgery, Virginia Mason Medical Center, Seattle, Washington, 2012

Michael Campbell, M.D.

Fellowships Endocrine Surgery, UCSF, San Francisco, California, 2013

Board Certifications American Board of Surgery, 2013

Professional Memberships American Association of Clinical Endocrinologists
American Association of Endocrine Surgeons (candidate)
American College of Surgeons
