

## Jane McClay, Psy.D.

<b>Philosophy of Care</b>	My philosophy of care is to be non-judgmental and to treat my patients with respect. I am very caring and easy to talk to. I attend to my patients' psychological needs to the best of my ability.
<b>Clinical Interests</b>	I conduct the pre-bariatric surgery psychological evaluations, including computer assessment, for patients wanting to have bariatric surgery. I use neuropsychological testing as needed.
