

Gibbe H. Parsons, B.A., M.D.

Philosophy of Care	My interests include pulmonary hypertension and severe asthma. I am currently a UC Davis Health System medical director of Managed Care and Continuing Medical Education (CME).
Clinical Interests	Dr. Parsons volunteers with the American Thoracic Society and California Thoracic Society. His clinical interests include chronic obstructive pulmonary disease, pulmonary hypertension and asthma. His research interests and numerous publications focus on the study of asthma and bronchial blood flow. Dr. Parsons is also involved in the statewide effort to eliminate tuberculosis in California.
Title	Professor, Pulmonary and Critical Care Assistant Dean, Continuing Medical Education, School of Medicine
Specialty	Pulmonary and Critical Care
Department	Hospital Administration
Division	Administration
