

Michael Wenin Chu, M.D.

Philosophy of Care	Dr. Chu's approach to patient care centers on education and advocacy. He focuses on helping patients to better understand their conditions and weigh their options accordingly. He believes that this approach best allows women to make well-informed decisions about their medical care and treatment options.
Clinical Interests	Dr. Chu's clinical interests include general obstetric care, Pap smear abnormalities, uterine leiomyoma/fibroids, and menopausal transition.
