

Amanda D. Camposagrado, M.D., M.S.

Philosophy of Care

As a general internist, Dr. Camposagrado takes pride in caring for adult patients and their families. She focuses on providing preventive care as well as sensitive and comprehensive treatment for those who suffer from illness. While illness can place an individual in a vulnerable state, she applies knowledge, effective communication and appropriate resources to empower individuals. Dr. Camposagrado strives to be a patient advocate, and to work well with a multidisciplinary team of subspecialists and allied health professionals at UC Davis Health System to provide the best and most up-to-date patient care.
