

# Anca Knoepfler, M.D.

<b>Philosophy of Care</b>	Dr. Knoepfler's focus in practicing Internal Medicine is to help patients maintain health, prevent disease and prevent disease complications. Her training and experience in Internal Medicine gives her an excellent medical knowledge base upon which she and her patients can build on together to achieve individualized health goals and coordinate overall health care with specialists when needed.
<b>Clinical Interests</b>	Dr. Knoepfler's clinical interests are in hypertension, diabetes and women's health, particularly as it pertains to risk-factor reduction for prevention of cardiovascular disease in women. She provides a broad spectrum of primary care for adults and is skilled in office dermatological procedures and joint injection.
